Your Comment (if you are speaking, it is not necessary to complete this field)	Support for D5 and D6. It's the best case scenario that existing tenants purchase the land. Glad to see this old retrac property getting off the City ownership and into private ownership. Was also happy to see similar activity for neighboring businesses in the 9/13/23 meeting. Very curious to see how much the these parcel will be sold for. Hopefully it will be beneficial for the business owners. Not sure what appraisal methodology (tenanted, sales comp, GRM, replacement, etc.) was used for 9/13/23 item D3, but it seems the City overcharged. Please dont do that again, leave these guys cash to put into the facilities.
Which City of Reno Ward do you reside?	Ward 1
