Uh, hi. Yes. I'm just calling just to uh I'm sure you guys get tons of these but uh just wanted to kind of bring it to your guys' attention that you know, West Forest Street right there, past 4 Street beastro and that whole street. I'm getting pretty sick and tired of calling Reno direct. They clean up the homeless issue and then they're right back. Um, and then we call And then the encampments get bigger. And like, as you guys know, uh, you know, these people aren't safe people. Um, and then they bleed over into our neighborhood, you know, we come out and like, our, our cars have been tried. Almost nightly, thankfully, we lock our cars. Um, but it just kind of getting ridiculous bleeding over into our normal. People want to live um, but yeah, uh West 4th Street area, I don't know if you guys will directly deal with this issue. If you guys have a plan, um, but whatever you guys are doing is not working and it hasn't been working. So hopefully uh hopefully that changes uh thank you. I appreciate it.
