

# SKY TAVERN

2023-2024 REPORT

PROVIDING OUTDOOR RECREATION FOR ALL

# SKY TAVERN WELCOMES NEW LEADERSHIP

**PAT CASHELL-CEO**

**CHRIS "TOPH" BROWN-COO**

# OUR MISSION & VISION

## MISSION

Provide outdoor recreation for all.

## PURPOSE

Open avenues to all by providing outdoor recreation; regardless of one's physical, mental, or financial means.

# OUR VALUES

Our values support our mission and purpose.

**Family First:** Family is the background of our organization and guides everything we do.

**Fun:** Explore and create new and exciting experiences and opportunities.

**Climb Your Mountain:** Support all striving to overcome their personal “mountains” through outdoor recreation.

**Integrity:** Committed to doing the right thing even when no one is watching.

**Explore:** Foster and create environments that allow all to explore the outdoors.

# SNOWMAKING IN 2023-2024

The second season of snowmaking represented significant progress over the first year, as it enabled the opening of the Webster carpet on man-made snow, allowing the race team and high school teams to commence practice in December. The single fan gun converted half a million gallons of water into 5 acres of snow, creating a solid base layer for the season's operations.

**570,000**

GALLONS OF WATER

**85%**

COMPLETED

Sky Tavern recently purchased a 33,800 gallon water tank, which was a significant step forward for snowmaking. However, millions of gallons of water storage are still needed.

# SKY TAVERN BIKE PARK

## ELEVATING THE RENO/TAHOE MOUNTAIN BIKE EXPERIENCE AT 8,000 FT.,

Sky Tavern's approach is as unique as it is trailblazing: a publicly accessible, community-funded bike park designed from the ground up (literally) for all riders despite their ability.
