She continues to display excellent virtues and leadership skills in community care that would greatly contribute to the council and to our city.

All of the above are just some of the reasons why I believe that Lily Baran should be appointed as our Reno City Council Member for Ward 3.

- hank you for your time,

I am happy to be sending this message of endorsement for Sean Savoy, a former, fellow commission member, and Chair of the City of Reno Human Rights Commission.

I have known Sean since at least 2017 when I was working as a Case Manager and Director of Case Management at Northern Nevada HOPES.

He stood out to me as a very important person to know, to get to know and to get to work with, in any capacity.

We had the honor of serving on the inaugural Human Rights Commission from 2018-2022.

Without hesitation, I cannot speak more highly of his eloquence, authority, and diplomacy when running and participating in public meetings and his overall professional and personal passion for making our community a better place to live and work.

Sean cares so genuinely about Reno and Washoe County and has strong ties to so many diverse populations and interest groups having grown up here and committed his life to public service, even if not at the government level.

He has started non-profits, spearheaded the Human Rights

Commission with Mayor Schieve, is a member of various city Commissions and seems to know "everyone", but on more than just a first-name basis.

If you haven't met him, you are missing out!

He is a proud member of the Latino community and is gifted at rallying people to consider their community needs and is able to speak for those who cannot do so themselves.

You will not walk through The Reno City Hall, nor the city of Reno for that matter, without running into someone who respects and supports Sean and the work he does, whether getting paid for it or not.

Sean delivers on his promises, rallies people together for like-minded efforts, and is a natural public servant.

Thank you for your time.

Hello: I am writing in support of Michael Trudell and his application to fill the Ward 3 Council Seat vacancy. I have worked with Michael as a City Planner, and he has always been very passionate about quality of life issues as the city grows, and insuring that city government has all the information needed to make good decisions. He has remained interested in serving the residents of Reno as a City Council person, and believes his experience as a native Reno resident, City of Reno Planner, Caughlin Ranch HA Community Manager, and small-business owner, has prepared him to effectively advocate on behalf of the City and its residents.

I hope you will consider Mike's application and his genuine interest in the well-being of the residents of Reno. Thank you!

Dear Council,

I am writing today with a strong recommendation for Miguel Martinez to earn the seat of Ward 3 councilmember. I have known Miguel and his wife for over 6 years. On the personal side, he is a devoted dad, patient and loving husband. He treats his family with respect and values the opinion of his family. Even when faced with stressful situations, I've personally seen him address the issue with a calm demeanor and the ability to evaluate the issue and thoughtfully come up with a solution. He has always been logical and reasonable in his decision making, as well. The city of Reno would benefit from having Miguel as a councilmember because I believe he will make decisions for Ward 3 that are objective and without prejudice while keeping all the citizens in mind. Having worked in education, he's had a lot of experience with diverse groups of people which I feel has helped prepare him for such an important role. I'm truly excited for Miguel to have this opportunity as I think he will be a genuine asset to all of us living in Reno.

Please feel free to reach out if you have any questions.

Thank you.

Yeah, this is Paul Allen. Leonard's of Reno. I would the other members of the city council to select Lily, Braun to fill the vacant seats for Ward 3. Lili has a deep knowledge of the community. She lives in and would be a single voice for renters in a process. Usually dominated by real estate interest and their friends. Thank you.

Hello, my name is Amy O'Brien. I'm a clinical social work, social worker in Reno. Nevada, I am calling to share my hope that Lilly Baron be appointed to board 3 as our council person will use a Fearless advocate for our community. I see her almost every place I go working in service of Human Rights and the Dignity of our citizens she's very practical and knowledgeable. She's not just thinking about what to do. She's doing what we need to be doing and I would feel so wonderfully representative. She was on our Council. So yeah, just calling in my support for a lilly bear. Thank you.

Hi, my name is Michele Baker and I'd like to voice my support for a lily, Barron's represent worth 3, as a city council member of the ward 3 resident. Believe someone that I would, absolutely vote for choose on the ballot in because of the many ways she has, and he should use the positively impacted community. And I'm confident that this sentiment is shared by many. If somebody's only briefly met Lilly, you don't need to know her to understand how much work she's done for a community. Both are paid and unpaid labor shows just have qualified. She is for this position. Besides the work Lily, is already done, I think. What's most important to highlight is the work that can be done. If she's a pumpkin, she's the ability encouraged to encourage all of us to be more involved in local politics, something that City Council Members. Previously had complained that there's an Alaska, Alaska. She's a perfect candidate to bridge the gap between those to make decisions and those who are impacted by them recording this on Tuesday. But I hope that the amount of public support has been seeing and local media online and hopefully those were attending the meeting right now. Will prove that to the city council members that really would be a great representative for Ward 3. Thank you.

I've had the pleasure to work alongside Billy on a variety of initiatives and I know that her heart is Anchor in the work of the people. And in this moment that we're in, that is the type of public servant we need. She will bring tremendous value to the City of Reno and I strongly urge her appointment. Thank you so much for your time.

I appreciate this opportunity to speak with you on behalf of Lilith, Baron candidate for appointment to Reno city, council for 3 minutes. Work at my liaison in 2021 during the 80 first session of the Nevada legislature. She is an outstanding human days during the session limit manage, my legislative office and assisted me with research on legislative issues. She shows most of sectionalism in her interactions with the legislature and their staff. During this period, I learned that Melissa has the same mother her community. As I do know, we talked Austin about her work with the Hampton house and her advocacy on behalf of the homeless, in the, you know, community. It's my belief that you will not find a better candidate for this position. Will it will lead with professionalism? She will work hard to build conditional, E cheese. And she will. Lead with my meeting. I hope that you will appoint her to this position. I am so proud of the work that she is doing in your community and I am proud to know her and I am proud to call her friend. She has an amazing asset to our community, helping our dissing franchise residence, as well as in calories. The people around her create and do better things. She is not only a pillar of our community and of ward 3 but also runs our community garden. She is an advocate for people that need help and have been distant franchised through our local government. And would be the only choice for City Council of ward 3. If youDon't make this choice and you are doing a tremendous disservice to our public Community. Thank you.

Madam Mayor and City Council Members,

I am excited to submit this letter in support of Courtney McKimmey's appointment to serve as the Reno City Councilperson for Ward 3.

Karen Coe and I had the honor of first working with Courtney while she was an intern at the Nevada Small Business Development Center. During her tenure, Courtney worked closely with business owners and entrepreneurs who were at all stages of their business operations. She helped guide them through the lending process, write their business plans, and navigate government regulations all to aid their success. Additionally, Courtney worked to lay the groundwork for our office's professional development program to ensure our business advisors know the latest information and trends.

That's why when we received an email from her in 2019 regarding a bill establishing the state's Office of Small Business Advocacy, we knew our small businesses were in good hands. Courtney worked diligently with stakeholders across the state to garner support for the legislation and presented the bill to the legislature alongside Lieutenant Governor Kate Marshall. While the bill was not enacted until 2021, Courtney remained steadfast in supporting our small businesses throughout the pandemic through programs like Delivering with Dignity Reno-Sparks.

I believe Courtney's experience with small businesses (98.2% of all businesses) has provided valuable experience in understanding economic development and what is needed in a community. We know that Courtney will continue to work to support our small business owners as a member of the Reno City Council, and we are honored to support her appointment.

Sincerely,

A handwritten signature in blue ink, appearing to read "Winnie Dowling". The signature is fluid and cursive, with a large loop at the end.

Reno City Council Members,
Councilman Devin Reese
Councilwoman Jenny Brekhuis
Councilwoman Naomi Duerr
Councilwoman Bonnie Webber
Councilwoman Neoma Jardon

Reno City Hall, Council Chambers,
1 East First St.,
Reno, Nevada 89501

Dear Mayor Shieve and Reno City Council Members,

I am writing this letter in full support of Adrienne Feemster-Cobb as the most viable candidate for the vacant seat on the City Council representing Ward 3.

Adrienne Feemster-Cobb is the granddaughter of community matriarch and civil rights activist, the late Dolores Feemster, and niece of former City Councilman, the late Darryl Feemster. She is also the niece of former Reno/Sparks NAACP chapter president Lonnie Feemster Jr., and former Washoe County School Board Trustee Debra Fremster. She was born and raised in Reno, and has been a strong community advocate for years, following in the footsteps of the Feemster family legacy of continued community service here in Northern Nevada.

Adrienne is a recent Nevada Emerge graduate, 3rd Vice President of the Reno/Sparks chapter of the NAACP, as well as the Vice Chair of the Democratic Black Caucus of Washoe County. She is a tireless advocate of Women's Rights, civil rights, and is a champion of justice and equality. She has been involved in several community organizations such as the Northern Nevada Black Cultural Awareness Society, the Progressive Leadership Alliance of Nevada, and Northern Nevada Marches Forward. She is passionate about bettering the conditions in her community for all, and she is well known and respected by community leaders, public officials, and faith leaders. She also has a background in working in real estate, and has experience and knowledge in public meeting law and procedures.

I truly feel that Ms. Feemster-Cobb would be an excellent addition to the City Council and would bring her strong sense of community service and fighting for justice to the table. Therefore, I strongly recommend appointing Ms. Adrienne Feemster-Cobb for the vacancy of City Council Member, representing Ward 3.

Thank you.
