The city councils refusal to let people vote for the council replacement is appalling enough and you should all be voted out as a republic allows. But then the refusal to appoint someone the the citizenry wants is mind blowing.

No integrity and zero trust. Who is getting paid off for this event? Somehow somehow this stinks of cronyism and the lack of integrity is shameful.

Hello!

My name is Gabriel Chávez, and I live in Ward 3. I have lived in Reno for over 20 years. I am writing to express my sincere support of Miguel Martínez being appointed to the Ward 3 City Council Seat. Miguel is a pillar in our community, and he always tries to make everyone's lives better. I met Miguel when we were studying at the University of Nevada, Reno, and I was fortunate to work with him in his coordination assignment at TMCC. I have witnessed Miguel's dedication to our community by organizing mentorship programs for underrepresented groups and organizing events to bring the community together. For the above mentioned reasons, I support him for this vacancy.
