## Interests & Experiences

### Education or training relevant to the board or commission to which you are applying:

My wife and I volunteer for a variety of local events and organizations ,eg, KNPB, Reno Little Theater, KTMB, and the Great Reno Balloon Race. I've been a member of TMWA's Advisory Committee for four years. My wife and I are both seniors and make extensive use of the city's recreational facilities and parks. I am a Nevada Master Gardener, and retired from a 35 year career in environmental management. I believe my experience as it relates to water quality and environmental protection is especially relevant as Reno grows.

### Explain briefly why you would like to be appointed to this board or commission.

I think I would bring a senior's outlook to the commission, one based on past governmental experience, and actual use of the city's facilities. My wife and I moved here from Panama where we were immersed in a Latino culture. As this demographic in Reno grows, I believe it's important commission members are aware of and sensitive to this community. As a resident of Area 1, and living adjacent to one of the city's most heavily used trails, i.e. along Steamboat Ditch, I feel presence on the NAB by residents committed to retaining and expanding local recreational opportunity and environmental quality is critical.
