Re: Suspension - City of Reno Business License R101851Q (Package Alcoholic Beverage License)

Dear Licensee:

This correspondence serves as formal notification that the above referenced City of Reno ("City") business license is hereby suspended. Based upon the enclosed order issued by the Administrative Hearing Officer dated October 25, 2022, your license to conduct the sale of alcohol at this business is suspended from November 1, 2022 to December 14, 2022 at which time you will be required to go before Reno City Council as a requirement of the suspension.

This suspension does not impact your ability to continue operating your non-alcohol related business; however, alcohol sales are strictly prohibited. Furthermore, all alcohol must be removed from the retail floor and must not be sold or provided free of charge whatsoever.

Be advised that you have the right to appeal this decision. Pursuant to RMC Sec. 4.04.160:

"Revocation or Suspension: The decision of the administrative hearing officer following a show cause hearing for revocation or suspension under section 4.04.190 may be appealed by the city or any aggrieved party to municipal court, or to another tribunal if required by law, within 30 days after notice of the final decision. If the license is revoked or suspended, no business shall be conducted under that license until such time as an appeal has been heard and the revocation or suspension has been reversed."

For more information regarding RMC, please visit the City Clerk's office at City Hall, or view it online at <https://library.municode.com/nv/reno>. Please contact this office if you have any questions.

Sincerely,

By: _____

Print Name: _____

Now therefore it is ordered as follows: I find there is sufficient evidence presented at the hearing conducted on October 25th, 2022 to warrant a suspension of the liquor license for Lakemill Maxi Mart. The suspension is to begin on November 1st, 2022 and last up and until December 14th, 2022. On December 14th, 2022, the license holder is to appear before the Reno City Council to determine if the liquor license should be renewed or not. If City Council renews the license this suspension is lifted. The suspension only impacts the sale of alcohol and does not prevent the store from operating in the sale of other goods.
