**Interests & Experiences**

**Education or training relevant to the board or commission to which you are applying:**

I have dedicated my entire 30 year career to healthcare and have been mentored by some of the best healthcare leaders in the industry. I have learned tremendously through ongoing education and training related to the various human rights issues I have encountered in the patients and families I have served along the way.

**Explain briefly why you would like to be appointed to this board or commission.**

An appointment to the Commission would hold both personal and professional meaning to me. The protection of human rights is critical to the growth and development of our society in order for everyone to live and be accepted for who they are. This has been my passion throughout my career and in my personal life that led to becoming a longtime community advocate. My work in the behavioral health field in particular has shown me that every single human being deserves the same dignity and respect as anyone.
