

Vendor Selection for Audit of Uncontrolled Health & Safety Risks

Agenda Item B.13

Wednesday, January 11, 2023

Audit of Uncontrolled OH&S Risks

- Holistic analysis of uncontrolled workplace hazards.
- Diminish worker compensation claims, property damage costs, and regulatory liabilities.
- Facilitate improved production and retention.
- Address gaps in training and hazard controls.

Vendor Selection

- Two respondents to RFQ.
- Selection committee included multiple department representatives (RFD, RPD, M&O, Parks & Rec) and members of Risk Management Division.
- Firms evaluated based on professional standing, experience, qualifications, and conformance to scope.
- Total Safety Compliance was unanimously selected.

Recommended Motion

- I move to approve a contract with Total Safety Compliance to conduct a City-wide audit of uncontrolled health and safety risks.
