Interests & Experiences

Education or training relevant to the board or commission to which you are applying:

In my undergraduate program at UNR, I started my educational career with a major in Anthropology with a minor in Historical Preservation. I loved this program but due to life and circumstances, changed majors to Social Work. I needed practical and now and jobs readily available. But I have never lost my love for history, research, stories and Nevada. My passion is people, their culture and stories of how they are able to persevere. My dad instilled these loves in my life because he also loved this great state and it's history. As a child, my family and I travelled to every inch of this state, chasing ghost towns, the emigrant trail, train museums, pony express stations, arborglyphs, petroglyphs and everything in between. I think we spent more time on dirt roads than pavement. Dad always said "Take only photographs and leave only footprints" while teaching us about the triumphs and tribulations of the Nevadans before us. This hands on education ignited the passions I possess and is something that I strive to pass along to my own children.

Explain briefly why you would like to be appointed to this board or commission.

I am a proud, 5th generation Nevadan. I believe that my unique position as a social worker helps provide a viewpoint on people and cultures. This viewpoint is a valuable asset in terms of history and preserving the past. I would be proud and humbled to serve my community and be a part of preserving our stories.
