Education or Training Relevant to the board or commission to which you are applying:  
I have a passion for housing our community. I have been the Chair of the Community Homelessness advisory board and a County Commisisoner for two years. In that time I have been focused on providing workforce and affordable housing in our community. I also have a master's degress in Public Admin. and Public Policy from UNR.

Explain briefly why you would like to be appointed to this board or commission. Please attach any additional information you wish:

I would be honored to be on the Reno Housing Authority Board. I have been on their advisory group for four months and was able to take part in their board retreat. I think that it is super innovative that Reno is looking to support a regional approach to affordable housing by considering my appointment. We cannot solve this issue unless we take a regional approach and Washoe County is coming to the table to support housing at all levels as well as our most vulnerable residents with the CARES Campus and our investments in permanent supportive housing. Washoe County also gave RHA a grant for the first time last year to allow for expansion their services. RHA is also doing a lot of innovative things to construct additional units, educate landlords, and support tenants and I would like to be part of that work. Thank you for your consideration.
