The traffic congestion is already a major issue in Golden Valley. More signals are needed in our area. We do not now have multi-family dwellings so this would set a precedent. In addition to traffic mitigation, more infra-structure is needed such as stuff for children to do, bike paths, a park, for retail.

Take care, Mary

Please state if you are in favor or in opposition of the agenda item in which you are commenting:

In favor

Your Comment

I am in favor of appealing the Planning Commission's decision to approve the 'Aspire at North Hills' development. North Hills Blvd. cannot adequately handle the traffic demands (especially during morning/evening commutes) and adding 192 more housing units with an estimated 500 residents on that road will not help alleviate the traffic issues. I am not a 'NIMBY' and have no issues with growth as long as critical infrastructure issues are addressed before construction of additional housing units starts. If the widening of North Hills Blvd. to 4 lanes was completed before construction starts, then I understand how it could make sense to approve this project. Waiting 3-7 years for North Hills Blvd. to be widened is unacceptable and will mean additional traffic due to construction in the area (between the new housing units and the the road widening) for the next 7+ years. Members of the council, I implore you to please appeal this plan as it simply does not work for the

existing members of the North Valleys community. Thank you for your time.

Agenda Item I.2

Please state if you are in favor or in opposition of the agenda item in which you are commenting: In opposition

Your Comment I'm asking you to reject the appeal against this much needed project. I do not wish to make light of the concerns that have been raised, especially the issue of capacity at North Valleys High School, but right now we are facing an unprecedented housing shortage and we cannot afford to not build additional housing. Traffic can be mitigated through improvements to transit, the school district had plans to build additional schools anyway, but people are literally dying in the cold on the street because housing has become unattainable. We need to focus on what is most urgent first, we can solve the rest later.

To: RenoPlanningCommission@reno.gov <RenoPlanningCommission@reno.gov>

We do not need anymore new home construction or apartments here in the North Valley. Some infrastructure would be nice. I have lived here 5 years and have seen zero projects to improve this area. No More New home or Apartment construction... Thank you....

Ruth Stone <stonesoul@hotmail.com>

Mon, Mar 6, 2023 at 7:21 AM

To: "Publiccomment@reno.gov" <Publiccomment@reno.gov>

I would like to voice my opposition to this development. There are a number of reasons but my primary objection is due to the traffic in this area. Both Golden Valley Drive and North Hills Blvd are very busy streets at the present time and there is already new development going on at Golden Valley and Estates Dr. which is going to impact the already congested streets. At the present time those of us who shop at Raley's take our life in our hands exiting the parking lot, adding more traffic to this congestion is asking for trouble.

Please listen to those of us who live out here. We urge you to reject this proposal.

Please please please no more apartments or homes in the north valleys!!! Traffic horrible. Maybe if you lived out here you would understand. Our roads are raceways, no sheriff present, stop signs and red lights optional.

Schools overcrowded and now we building low income apartments in red rock. No bus service so people with low income are going to have to have cars!?? Low income 1000.00+plus??? Where does it stop???

To anyone who may care about the well being of your fellow humans,
Why do you keep pushing growth with the horrible, never been seen before traffic and lack of roads
to accommodate more???????

Are you guys just inhuman or cruel we the people of North valley's are organizing to speak up
nationally soon. The new proposed north hills luxury apartments have sent everyone over the
edge...

Thanks for being so unconcerned about your neighbors...

You suck!!

Hello, my name is Ari and I'm calling support a project DC 23 Dash, 000 18. And I'm looking to move to the North Reno area as I secured a job in Reno. But I do not want to be located downtown and I see this housing complex as a great opportunity to be close enough to my work. Well, also being close to the Martin Luther, King, Junior, Highway, and easily accessible to the surrounding environment. And I think this would be a great place to live. So I am in support of this project. Thank you.

Yes, good afternoon. My name is Chris Wiseman and I am calling in support of project, AL DC 23 Dash 000 18. Again that's project. L BC, 23 Dash, 000 118 and I am in support of this project. I hope it gets the support of of of, of counseling staff at this upcoming meeting. I think it'd be great for the community. I know Reno needs more housing and by having 200 units next to an existing shopping center, there'll be some good synergies there. I think the community will will clearly benefit from not only the, the shopping center, but, but just, you know, housing in the area. And I think it'd be good overall for the project at the shopping center, the existing tenants, you know tenants are struggling right now and Reno and it's as they as they continue to work through some of the challenges given during the copen pandemic. So again I support the projects and and hope hope you do as well. Thank you.

Hello, my name is Dave &, I am calling in support of LDC 230-0018 and I'm in support of this project because I'm hoping to move to the northern Reno area from Reno. And I am looking to become a PA or teacher at Alice, Smith Elementary School. And I was just looking around at different housing options and it really isn't something available for me, horrible, I'm hoping that this Develop, but through offers me and more affordable place to live, thank you.

To whom it may concern;

We are in opposition of this development and do not approve!!

Our area/infrastructure can not handle the current traffic as it is. Adding a new development within a minimal area creates issues for emergency access. There's one way in and one way out which is not beneficial to any residents within the area!

We would to see the developers and City of Reno's planning commissions proper traffic studies in the area, publicly published with the north valley's community justify the approval of this project!

We as our neighbors are absolutely opposed to this development!!

Thanks, Watsons

Your Comment

There is no infrastructure in this area for this project. There is no room to expand North Hills Blvd. It would put a burden on traffic in the area especially during the hours of picking up and dropping children off at Alice Smith Elementary.
