Hi everyone. My name is Becca Franssen, and I am the Coordinator for Student Engagement and Leadership at TMCC. I submit this public comment to you to enthusiastically share my support for agenda item B.14: "donating Council Discretionary Funds to the Truckee Meadows Community College Foundation to support the Equity, Inclusion and Sustainability Office's mission to build and maintain a nondiscriminatory environment in all facets of Truckee Meadows Community College." These funds will be well utilized to support TMCC's inaugural Unity Celebration, where we will celebrate the accomplishments of historically underrepresented students. By honoring and celebrating the identities of all TMCC students, we will foster a sense of inclusion and belonging for students who add tremendous value to our institution. I kindly ask you to vote in favor of this agenda item. I also with share my sincere gratitude for Councilmembers Taylor and Ebert for their commitment to TMCC. Thank you.

The Urban Roots staff, Board of Trustees, and the students we serve would like to extend a big thank you to Councilmember Martinez and Reno City Council for selecting Urban Roots for consideration to receive this donation. Urban Roots is mission driven to change the way children eat and learn by growing healthy minds, bodies, and communities. Urban Roots is founded on the idea that food is a powerful tool for academic and nutrition education when fully integrated into the classroom and accessible to the community. Your donation to Urban Roots supports our Reno/Sparks community with programs like Farm Camp, the Farm Homeschool Program, Gardening for All, Farm Field Trips, and the Little Gardeners Program. Soon, Urban Roots will be debuting a new modular teaching kitchen where we will expand seed-to-table education and offer cooking classes. The Urban Roots Teaching Farm on East Second Street is a place for community members of all ages to interact with nature, practice growing food, and learn about healthy living through fun, accessible programs. Thank you!

Your Comment On behalf of Northern Nevada Pride and Our Center, we want to thank the Reno City Council and City of Reno for their generous support. Through the Reno Arts and Culture Commission grant program, we have received funding to feature LGBTQIA+ artists at our annual pride festival, which has greatly increased access to and representation of this minority population within our community. The multitude of headliner and local featured artists has aided in furthering our mission to aiding the arts and showcasing a diverse grouping of artists. The direct funding support provided by discretionary funds to Our Center has allowed us to increase our programming for youth, seniors, and substance abuse support initiatives. We thank you for your continued support of our overall initiatives, and we

look forward to the continue to work with the City of Reno in advocating for and brining awareness to the LGBTQIA+ community and its allies.
