## Interests & Experiences

Education or training relevant to the board or commission to which you are applying:

From 2009 to 2019 I was on the Friends of the Nevada State Museum Board. In addition to my BA in English /minor History, my time with the museum strengthened my appreciation for history, and specifically Nevada history. I led tours and educational presentations and outreach, managed fundraising events, scheduled speaking events, and provided general support for museum personnel toward their mission of promoting Nevada history. As the Chair of the Executive Committee, Toiyabe Chapter of the Sierra Club, our mission and goal is to learn about and protect Nevada landscapes and environment, and learning the history of our state is part of that. Lastly, I owned a historic, former governor's home in Carson City. I renovated and redecorated, hosted tours through the Carson City Historical Society, and went through the process of applying to have it listed on the State Historic Register, a proud moment when we were able to share some of the history of Nevada through our own home.

Explain briefly why you would like to be appointed to this board or commission.

I consider myself a semi-professional historian, although I've never held a professional position in that area. I love Nevada and I truly enjoyed sharing my knowledge with visitors to the Nevada State Museum. I believe the range of knowledge and interest I have in promoting Nevada history, from our Indigenous roots forward, will be beneficial to the HRC. I understand the importance of preserving historic structures, character, and culture for current and future Reno residents, so that they can learn our history through the preservation actions of the commission. While it's impossible to save all historic structures, I believe I can add value to discussions and decisions the commission must make to preserve important elements of Reno history as we grow.
