Explain briefly why you would like to be appointed to this board or commission.

I am passionate about the study of Reno history, architecture, and the roles and rules of government. I strive to appreciate the nuances involved in the preservation of Reno's historical sites and supporting business and community growth. When both of our children graduated from high school, my Wife and I moved to Ridge Street in downtown Reno. Our front yard looks upon homes designed by DeLongchamps and P.R. Williams, with McKinley Park, the Lake Mansion, and Wingfield Park each one or two corners away. Our backyard looks on to the Newlands Mansion and the Nixon Mansion. This puts us square in the middle of the historical Reno described in The City of Trembling Leaves. There are logical bridges between our past and our future; I believe I can add a residential perspective to the important conversations.
