Presentation, discussion, and potential approval of Moana Springs Community Aquatics and Fitness Center Public Art Project timeline and call for artists.

What we are (and are not) doing today:

- We ARE approving a call for artists and following the process that we have in place
- We are NOT selecting the artist
- We are NOT selecting the artwork

Call for Artists Highlights

- RFQ
- Multiple opportunities for community engagement as dictated by the process for large public art projects
- Includes input from the Public Art Committee and the Reno Arts and Culture Commission
- Specifies multiple locations for artwork

Budget

- Total 2% allocation: \$700,000
- 15% for administration of the project: \$105,000
 - *Finalist travel for on-site visits, proposal stipends, community engagement, publicity, documentation, other project costs.
- 10% for public art maintenance: \$70,000
- Total for public art: \$525,000
 - *This covers multiple artworks

Recommendation

- Staff recommends the approval of the call for artists for the Moana Springs Community Aquatics and Fitness Center.
