

# **Third-Party Consulting Agreement**

**Item B.26 – Approval of Agreement for Consulting Services with Bureau  
Veritas North America, Inc. (\$1,000,000)**

*April 12, 2023*

# Background:

- Bureau Veritas North America, Inc. is used to review high-rise buildings or specialty permits.
- These large-scale projects require additional certifications and engineering licenses that Development Services staff do not have.

# Discussion:

- Under this agreement, the Applicant pays the City for building permit fees.
- The City then pays the consultant fee for services rendered.

# Recommendation:

- Staff recommends Council approval of the agreement with Bureau Veritas North America, Inc., for third party building permit plan review services in an amount not to exceed \$1,000,000.00 with the option to renew upon written notice and authorize the Mayor to sign.
