Explain briefly why you would like to be appointed to this board or commission.

My husband and I are avid global travelers. History is my favorite topic to learn about. I believe preserving our historical buildings is of utmost importance to our society. You lose the culture and background of a place when you erase or knock down the historical places. Historical sites give a place depth and soul to a community. I would really love the opportunity to be involved in something I am truly passionate about in my personal life. Thank you.
