Your Comment	<p>As a member of the Downtown Business Improvement District and a property owner I strongly support additional funding for the BID Ambassadors Program. This essential program does an excellent job patrolling the downtown streets and providing assistance to the homeless. I encourage the City to support the additional funding to continue making our downtown a vibrant place to live, work and play.</p>

Hello,

Below, I am posing some questions in regard to the proposed "special assessment" for the Business Improvement District.

1. Will the "Ambassadors be located through out the "District" or just on Virginia St?
2. Will there be "Ambassadors" on Sierra St between 1st and 2nd St on a consistent basis?
3. If we don't see the "Ambassadors" who do we call?

Thank you,

Rich Govitz

Dear City Council Members,

I am in receipt of a proposed Business Improvement District assessment that will be reviewed at this city council meeting. I reside out of state and will not be able to attend in person.

I own two condominiums located in Ward 5 that are currently long term rentals. Over the last year rent in this area and our complex has decreased by approximately 20%. During this time property taxes and utility fees have increased. Inflation and mortgage rates have contributed to drive down my property values. The proposed assessment will further damage my investment in Reno.

I'm confident that the business improvement district has been beneficial for retail but as a residential owner, I have not realized benefit to justify an assessment of this magnitude. Therefore, I am strongly opposed to this proposal.

Respectfully,
Stephen Standefer

Good afternoon this is Sean Murphy, Pacific Development providing public comment regarding the BID assessment items C.1 through C.3. We are in support of these additional assessments. For the BID it's very important, consistent with the reimagined Reno master plan that additional ambassadors are in the downtown zone especially as new housing, new office and new retail is being developed in that downtown core for the safety of all folks. Especially in light of recent arsons that we have seen in and around Reno it is important that we get that additional security for the nighttime services, the overnight. So look forward to the city council support for these additional assessments for the business improvement district and downtown Reno partnership.
