Thanks Carter. I'll look over the application and try to attend tonight's NAB, by zoom, if they do that. I'll check online. After I see the presentation and read the application, I'll have a better handle on what's being proposed. But, just briefly looking over the photos and the reasoning behind the request, there doesn't seem to be a real hardship, just an inconvenience to drivers if they miss the appropriate exit. Also, a few years ago the North Valley Shopping Center asked for a variance, but it was denied by the planning commission for a lack of a hardship. Here's a link to a Scenic Nevada alert that went out after the decision. <http://hosted.verticalresponse.com/816909/c851f0fa2a/1631003563/d30df8ce1f/>

Thanks again for the application and agreeing to set up a call. I'll email you after tonight's NAB meeting.
