Interests & Experiences

Education or training relevant to the board or commission to which you are applying:

I've been a musician all of my life. My musical journey began on the viola playing in youth orchestras through my adolescence and has continued ever since. Since I began playing professionally in 2008, my focus has been on songwriting from the piano and guitar, arranging and producing music. I've released seven albums combined, as a member of my former band, The Novelists and as a solo artist and have toured that music nationally and internationally. Music, art and culture are fundamental to society and have always been the foundation of my life. My full bio can be found on my website at: erichenryandersenmusic.com. My non-musical interests include health, fitness, skiing and community building.

Explain briefly why you would like to be appointed to this board or commission.

I feel like my experience in and passion for the arts and this community would be an asset to this board. I love working with people in creative ways to improve programs, systems and communities. And, I love Reno.
