Explain briefly why you would like to be appointed to this board or commission. Please
attach any additional information you wish:

I understand the importance and value of property regulations and laws, and how that impacts economic development
in a city. When we apply the code to each project and create a level but fair playing field through those
regulations we have the ability to better serve the public and city. Property regulation can be extremely
complex, and I have the ability to look at it and understand the nuance for each zoning use. Further,
my desire to help the city grow and create more economic opportunity hinges on the ability for
redevelopment, development, and sustainable use of land within the city. When we talk about opportunity
it almost always starts at the Planning Commission as the means to achieve that end. Being part
of the process will give me the opportunity to give back to the city and help achieve the Reno that we
all want and desire.

*I certify that, to the best of my knowledge, the information I provided in the application is
true. If the information provided is false or incomplete, it shall be sufficient cause for
disqualification or removal. If appointed, I agree to attend a board or commission
orientation session, if applicable, within six months of my appointment. I understand that
failure to comply with this requirement will result in automatic removal from the board
or commission.*
