

Business Licensing Department

MEMORANDUM

DATE: 9/25/2023

TO: Honorable Mayor and City Council

THROUGH: Doug Thornley, City Manager

Approved Electronically

FROM: Lance Ferrato, Director of Business Licensing

SUBJECT: September 27, 2023 - Agenda Item B.6

This memo serves to notify Council of an error noted in the staff report for agenda item B.6. The application is for United Coin Machine dba Century Gaming Technologies to operate four (4) slot machines at Metro Market, an existing convenience store, located at 595 Booth Street.

The original staff report erroneously indicated that this facility was an indoor soccer center, not a convenience store. The updated staff report is attached.

If you have any questions, please contact me at your convenience.

STAFF REPORT

Date: September 27, 2023

To: Mayor and City Council

Thru: Doug Thornley, City Manager

Subject: Staff Report (For Possible Action): Approval of Privileged Business License – Restricted Gaming 4 Slot Machines – United Coin Machine dba Century Gaming Technologies dbat Metro Market, Timothy Cogswell, 595 Booth Street. [Ward 1]

From: Lance Ferrato, Director of Business Licensing

Department: Business Licensing

Summary:

This is an application (R160909G-APP-2023) for four (4) slot machines to operate within an existing convenience store. The site location was approved by the Planning Division and has a zoning designation of NC. Zoning hours of operation are 6:00 a.m. to 11:00 p.m.

Supplemental Information:

Review of the proposed site location revealed a high school directly across the street to the north.

State Analysis:

Pursuant to Nevada Gaming Commission Regulation 3.010, the Commission may deny an application based on the suitability of the location for multiple reasons. Relative to this application, vicinity to schools (NGC Reg. 3.010(1)) and a premises having substantial minor clientele (NGC Reg. 3.010(3)) are two of the many criteria that may be used to make a suitability determination, both of which were discussed by the Nevada Gaming Control Board at its September 6, 2023 meeting. It was also noted that the Board's Investigative Agent contacted the high school principal who also shared no concerns. Ultimately, the Board recommended approval for the restricted license.

City Analysis:

City staff confirmed that there are no applicable distancing requirements noted in RMC for restricted gaming uses relative to schools. Staff also followed up with school administration and confirmed that they had no concerns. Also worth noting, a restricted gaming license has been in operation across the street to the east for more than 40 years.
