

PUBLIC WORKS DEPARTMENT

MEMORANDUM

Date: August 31, 2023
To: Jeff Foster, Associate Planner
From: Lori Miles, Property Agent
Subject: ABN24-00001 (Old Town Road Abandonment)

Below are listed comments or concerns resulting from a preliminary review of your application. If additional comments or concerns are identified during the final review process, you will be notified.

Old Town Road Abandonment:

1. Staff researched this abandonment request and the road was dedicated on TM 749 to Washoe County and the through Annexation is now City of Reno right of way. Since this was a dedication it is only held in easement, no fee title. If abandoned it would revert back to the adjacent owner(s). There does not appear to be any city infrastructure but appears to have other public utilities that will need to be reserved.
