**City of Reno Subrecipient Agreement**

**Project Name: Bristlecone**

## SUBRECIPIENT AGREEMENT

THIS SUBRECIPIENT AGREEMENT (this “Agreement”) is entered into this \_\_\_\_ day of October, 2023, by and between the CITY OF RENO, NEVADA, a municipal corporation (“City”), and Bristlecone (“Subrecipient”).

### RECITALS

A. Subrecipient is a nonprofit organization that provides specialized services relating to mental health, substance use, transitional housing, among other services.

B. City has found Subrecipient qualified and experienced in the performance of said services and wishes to engage Subrecipient’s services.

NOW, THEREFORE, for and in consideration of the premises and the mutual covenants, agreements and conditions set forth herein, and other good and valuable consideration, the sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, City and Subrecipient agree as follows:

### ARTICLE I. CITY REQUIREMENTS

1. CONSULTING SERVICES. The scope and timing of services to be performed by Subrecipient are set forth in Exhibit A, which is attached hereto and incorporated into this Agreement by this reference. No substantial changes in the scope of services shall be made without prior written approval of the City and Subrecipient. Changes in the scope of services resulting in additional services will be reimbursed as Subrecipient’s hourly billing rates as set forth in Exhibit A, or alternatively, as set forth in an executed work order.

2. TERM OF AGREEMENT. By execution of this Agreement, the City grants to the Subrecipient specific authorization to proceed, upon written notice, with the services described in Section 1 of this Agreement, and shall continue until conclusion of services as authorized by the City, or until December 31, 2026, whichever comes first.

3. COMPENSATION, REIMBURSEMENT AND METHODS OF PAYMENT. The total cost to City for the performance of the Services set forth in Section 1 shall not exceed TWO HUNDRED THOUSAND DOLLARS AND NO CENTS (\$200,000.00). Subrecipient agrees to use its best efforts to perform the Services within such not-to-exceed amount (“NTE Amount”). If, at any time, Subrecipient has reason to believe that the total cost to City for the performance of the Services will be greater than NTE Amount, Subrecipient shall immediately notify City in writing to that effect, giving the revised estimate of such total cost for the performance of this Agreement. Subrecipient shall not be obligated to continue performance of the Services or otherwise to incur costs in excess of the NTE Amount set forth in this Agreement, unless and until City Attorney has notified Subrecipient in writing that such NTE Amount has been increased and shall have specified in such notice a revised estimated cost which shall thereupon constitute the estimated cost of performance of the Services. **In the absence of the specified written notice, City shall not be obligated to reimburse Subrecipient for any costs in excess of the NTE Amount set forth in this Agreement, whether or not those excess costs were incurred during the course of the Agreement.** When and to the extent that the NTE set forth in this Agreement has been increased, costs incurred by Subrecipient in excess of the NTE prior to such increase shall be allowable to the

same extent as if such costs had been incurred after the increase; unless City issues a termination or other notice and directs that the increase is solely for the purpose of covering termination or other specified expenses. No notice to proceed or other direction from City shall be considered an authorization to Subrecipient to exceed the NTE Amount set forth in this Agreement in the absence of a statement in the notice to proceed, or other Agreement modification, increasing the NTE Amount for the performance of this Agreement.

- (a) Fee Basis. Fees shall be charged on an hourly basis for all services rendered.
- (b) Monthly Invoices. Subrecipient shall submit to City monthly progress invoices based on the actual amount of services rendered, including costs and traveling expenses. Invoices shall be submitted to the City no later than five (5) days after the close of each month's billing cycle.
- (c) Invoice Requirements. As a condition precedent to any payment to Subrecipient under this agreement, Subrecipient shall submit monthly to the City:
  - (1) a statement of account which clearly sets forth by dates the designated items of work for which the billing is submitted; and,
- (d) City Payments. Subrecipient shall receive payments from the City based upon approved invoices within thirty (30) days of invoice postmark date.

4. **RETURN OF UNSPENT FUNDS TO THE CITY.** If applicable, Subrecipient agrees to return to the City the balance of any unspent funds by December 10, 2026.

5. **FUNDING OUT.** Notwithstanding any other provision of this agreement, in the event that the City has failed to appropriate or budget funds for the purposes specified in this agreement, or that the City has been required, in its sole judgment, to amend previous appropriations or budgeted amounts to eliminate or reduce funding for the purposes in this Agreement, or that the City fails to receive financial assistance allocated to the City by the State under The Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program, the City's obligation to fund any unpaid amounts shall be modified or eliminated in accordance with the City's appropriations or budget decision and the Agreement shall be deemed so modified or terminated without penalty, charge or sanction.

6. **SUBRECIPIENT PRINCIPAL IN CHARGE.** Bristlecone shall be responsible for the performance of services described herein, and shall supervise any services performed by other members of Subrecipient's firm. It is understood that Subrecipient shall coordinate its services with the City Manager, or his designee.

9. **INTEREST OF SUBRECIPIENT.** Subrecipient (including principals, associates and professional employees) covenants that it does not now have any interest and shall not acquire any interest, direct or indirect, in the area covered by any project of the City to which this agreement

pertains, or any parcels therein, or any other interest which would conflict in any manner or degree with the performance of its services hereunder. Subrecipient further covenants that in the performance of its duties hereunder, no person having any such interest shall be employed.

10. **INSURANCE.** Subrecipient shall maintain comprehensive general liability insurance for limits of not less than one million dollars (\$1,000,000) for bodily injury and property damages, per occurrence. As evidence of liability insurance coverage, the City will accept certification of insurance issued by an authorized representative of the insurance carrier. Each certificate shall contain a 30-day written notice of cancellation to the certificate holder and shall name the City as an additional insured.

Subrecipient shall maintain during the term of this Agreement, and for a six year period after completion of the term of this Agreement, errors and omissions insurance in the amount of not less than One Million Dollars (\$1,000,000). As evidence of errors and omissions insurance coverage, the City will accept certification of insurance by an authorized representative of the insurance carrier. ### **Mission Statement**

By providing strengths-based, needs-driven addiction and mental health services, we will bring treatment to an underserved population of individuals suffering from substance use, gambling, and psychological challenges that may otherwise not have access to care.

**Total expenses budgeted for the project:** \$4,900,000

**Amount raised for the project so far:** \$2,100,000

Currently, Bristlecone Recovery Center owns and operates out of a three-story building built in 1975 on the corner of Wells and Mill Streets in Reno, Nevada. In 2012, Bristlecone purchased this existing property, and its two outbuildings, with the hope of someday expanding our services. Now is that time.

Bristlecone has embarked on a transformative capital campaign that will 1) fill out the continuum of care through Bristlecone by offering a Medical Detox facility, 2) expand Bristlecone's current capacity and 3) expand the scope of practice to increase resources for mental health support.

Bristlecone Recovery Center is a nonprofit organization that has been providing evidence-based substance use, cooccurring mental health treatment, and gambling treatment since 1964. Our namesake, the Bristlecone Pine Tree, can fully regenerate itself, even on the brink of death. As a comprehensive addiction and mental wellness treatment and recovery center in Reno, Bristlecone is not only a part of our name but represents the experiences and resiliency of our clients who have survived and overcome grim circumstances yet, now thrive.

Funding will transform the current Bristlecone Recovery Center Campus with capital improvement to support long term sustainability and will include renovations to the Veteran's Dorm and add a Natal Unit. Funding will also support the renovation of the two neighboring spaces to add a Women's Residential Dorm and a Medical Detox Center.

### **Project Details:**

Bristlecone Recovery Center, a nonprofit organization that offers comprehensive addiction, gambling, and mental wellness treatment services to people in northern Nevada, needs funding to complete capital improvements on their Main Building (704 Mill St) and to renovate and build out a 5,000 sq foot substance use Detox Center and a 2,500 sq foot Women's Residential dorm, both of which are next door and owned by Bristlecone. Statistics show that Nevada is far behind the national average for the number of treatment beds per capita. The closure of several detox centers in Northern Nevada only exacerbated these statistics. These structures fill a critical opportunity in our community. There is no one that is better equipped for this work than Bristlecone.

### **Medical Detox Center:**

In 2018, West Care, a reliable Detox Center in Reno, closed its doors leaving a massive hole in the continuum of care services available in our town. Since that time, local hospitals in Washoe County have had to fill the gap. Individuals are often released too soon and are given inaccessible options to continue care and maintain their recovery. Bristlecone's current treatment center is not medically equipped to handle the complex needs of Alcohol or Benzodiazepine detox. There is a vast opportunity to close the gap in services and allow clients to stay on-site, from Detox Center to Treatment to Transitional Housing, and keep them on the road to recovery.

Bristlecone is particularly poised to own and operate a Detox Center. A detox facility with its own treatment center attached could provide the best possible care and make possible the best outcomes for those struggling with addiction.

### **Women's Residential Dorms:**

Bristlecone will convert and renovate the existing "Print Shop" at 130 S. Wells Ave into a Women's Residential Dorm. Women entering recovery often need an added level of security and safety. Studies have shown that women suffering from trauma and mental health issues have better outcomes when not in crowded over occupied rooms. The Residential Dorm has been intentionally designed to have a single point of entry, security and be separate from the coed living environment of the main Bristlecone building.

### **Capital Improvements and Renovations:**

Through renovations to our existing Main Building, we will be meeting the needs of both pregnant and IV using women along with veterans and male clients aged 18 to 80. These often-underserved individuals need an environment that is clean, supportive, and technologically current to not only provide treatment but to provide it in a manner that makes them feel valued and worthy of care. Expanding and modernizing our facilities will provide just such an environment.

- **Natal Unit:** Our new natal unit will allow pregnant women to complete treatment in a safe protected environment and complete their pregnancy without the worry of being in an unsafe and or unsupported living situation. The third-floor unit will be remodeled to better accommodate our pregnant moms and reflect the peaceful journey we are preparing them to undertake. Once the mother gives birth, she and her baby will remain on the unit but move into a private, single occupancy room.
- **Veterans Dorms:** Our Veteran Dorms will receive a much-needed overhaul, modernizing the space and bringing the seven 2-bed dorm rooms up to date. Programs like the Veterans Dorm are critical due to the rising numbers of homeless veterans with substance use or co-occurring disorders who are filling up hospitals, homeless shelters and living on the streets of our community.
- **Male Clients:** Men's residential and men's transitional living will be on the second floor in the Main Building. Men are often more likely than women to use larger doses of illicit drugs and this illicit drug use is more likely to result in emergency department visits or overdose deaths for men. Our most demanded service is for our male clients in residential treatment. This building project will allow us to remodel our men's unit to fit 2-4 additional beds, which may not sound like a lot but will result in up to four people being removed from our wait list.
- **All commercial buildings suffer from wear and tear.** Now fill those buildings 24/7 with individuals who are struggling through the rigors of early recovery and you have the makings of a rundown facility that struggles to remain safe and inviting. As we build the self-esteem and dignity of our clients, they deserve to live in a facility that shows they are worthy of the incredible journey they are on. Unfortunately, grants and contracts rarely provide for more than the cost of treatment leaving us to rely on the kindness of donors to provide funding for repairs and upgrades. Funding will allow us to replace our leaking roof, upgrade our existing elevator, replace our commercial oven, paint the exterior, improve the façade, and modernize the HVAC system (ducting, sensors, cold air returns etc.). The creation of a reserve fund will allow us to keep up on vital repairs.
