Education or training relevant to the board or commission to which you are applying:

I am an ongoing student of arts and culture. I attended the ICDA Charter Performing Arts School. I have been surrounded by arts and culture all my life. I serve as President of The Northern Nevada Black Cultural Awareness Society. And have been apart of NNBCAS events and activities since I was a youth.

Explain briefly why you would like to be appointed to this board or commission.

I believe there are several cultural areas in the city that have gone underdeveloped in arts and culture both from a learning and teaching perspective. I think I would bring great insight to the commission about these areas, as well as learning more about things that go on in the city that I am unaware of.
