

Edison Way and University Lift Stations Replacement Project

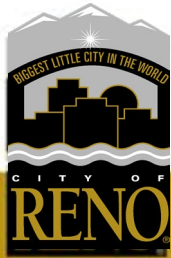

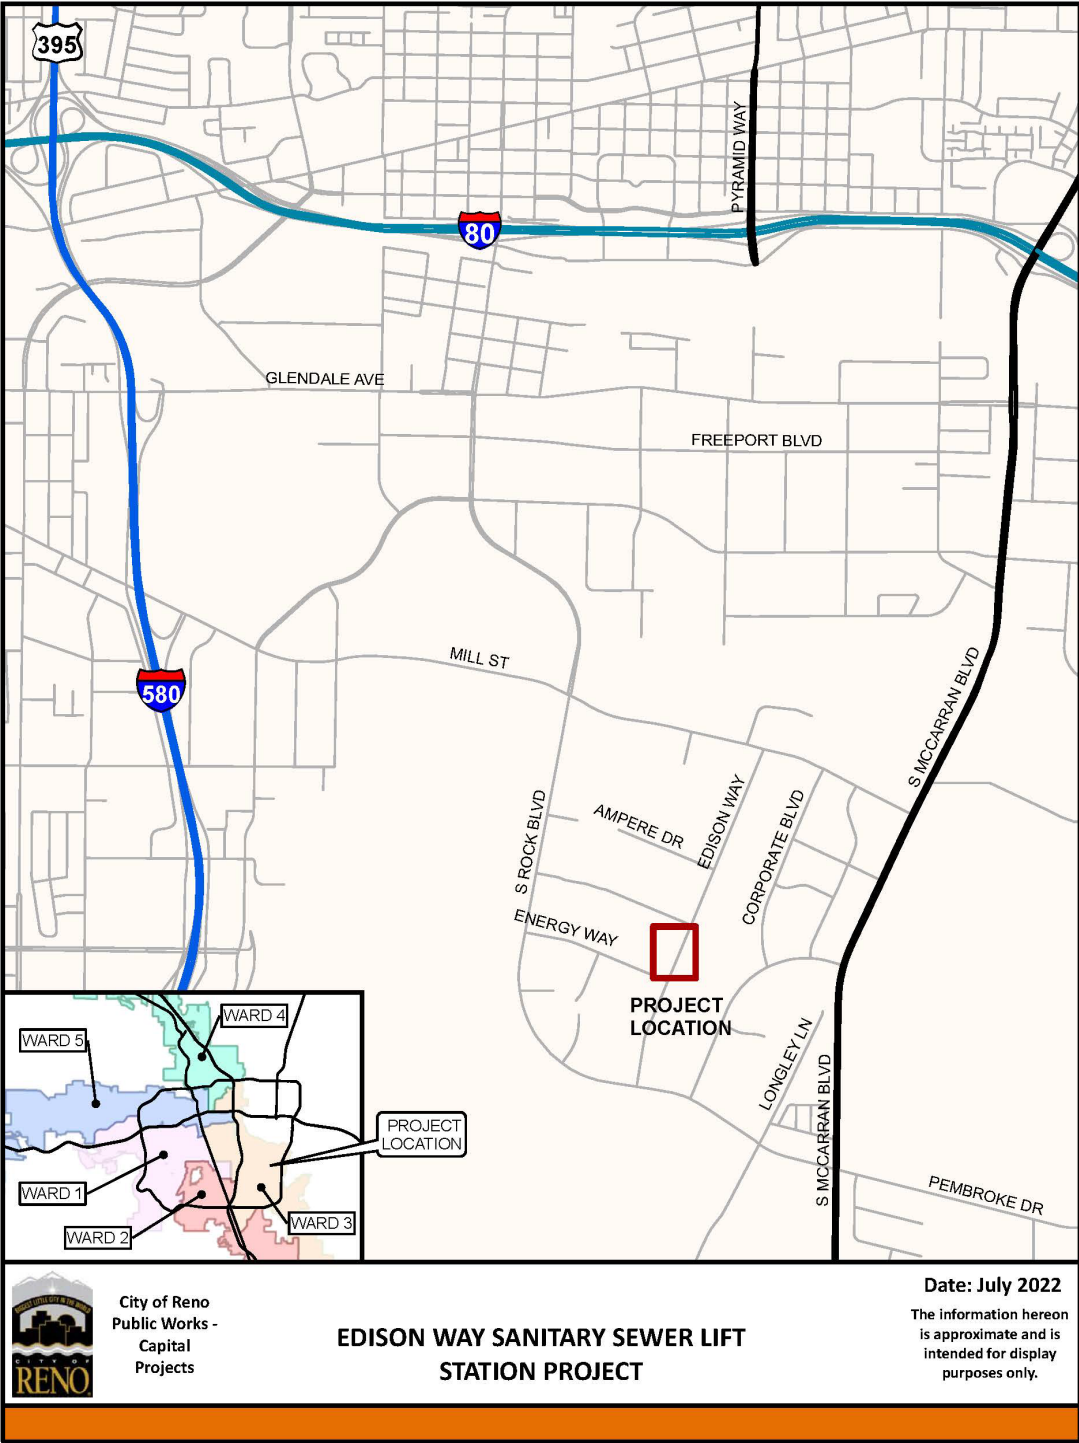

Item B.12 –Farr Construction Corporation dba Resource Development (\$3,912,546)

Item B.13 – Shaw Engineering (\$552,380)

Utility Services Department
July 27, 2022

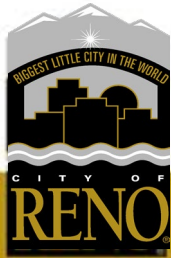

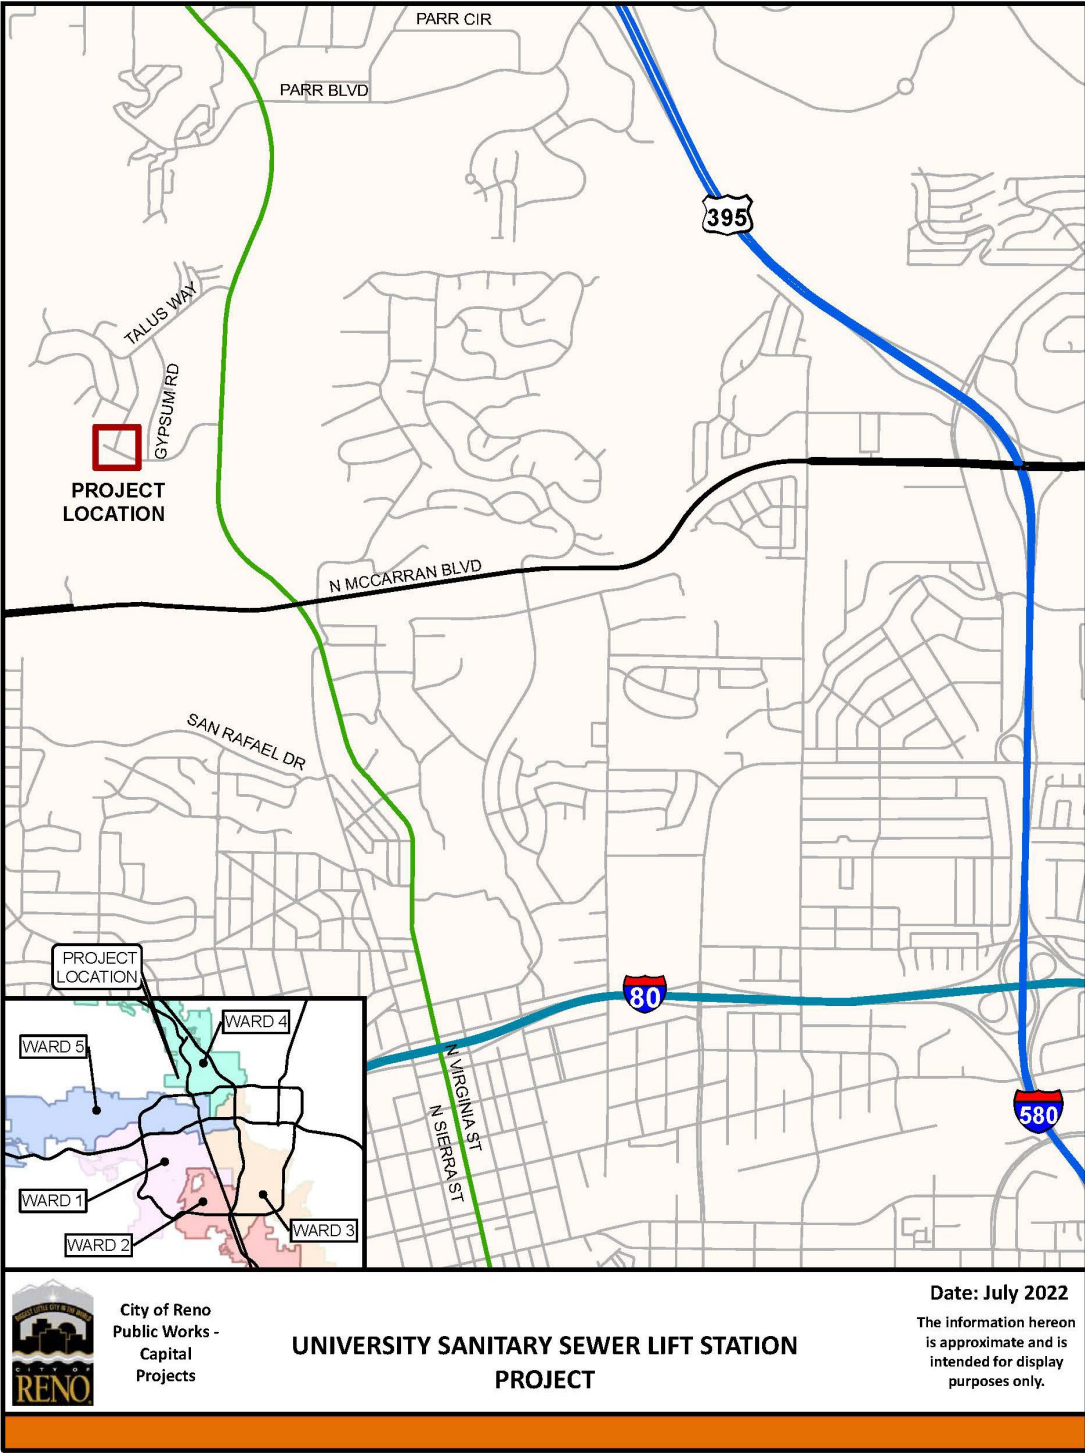

Project Overview

Edison Way Lift Station

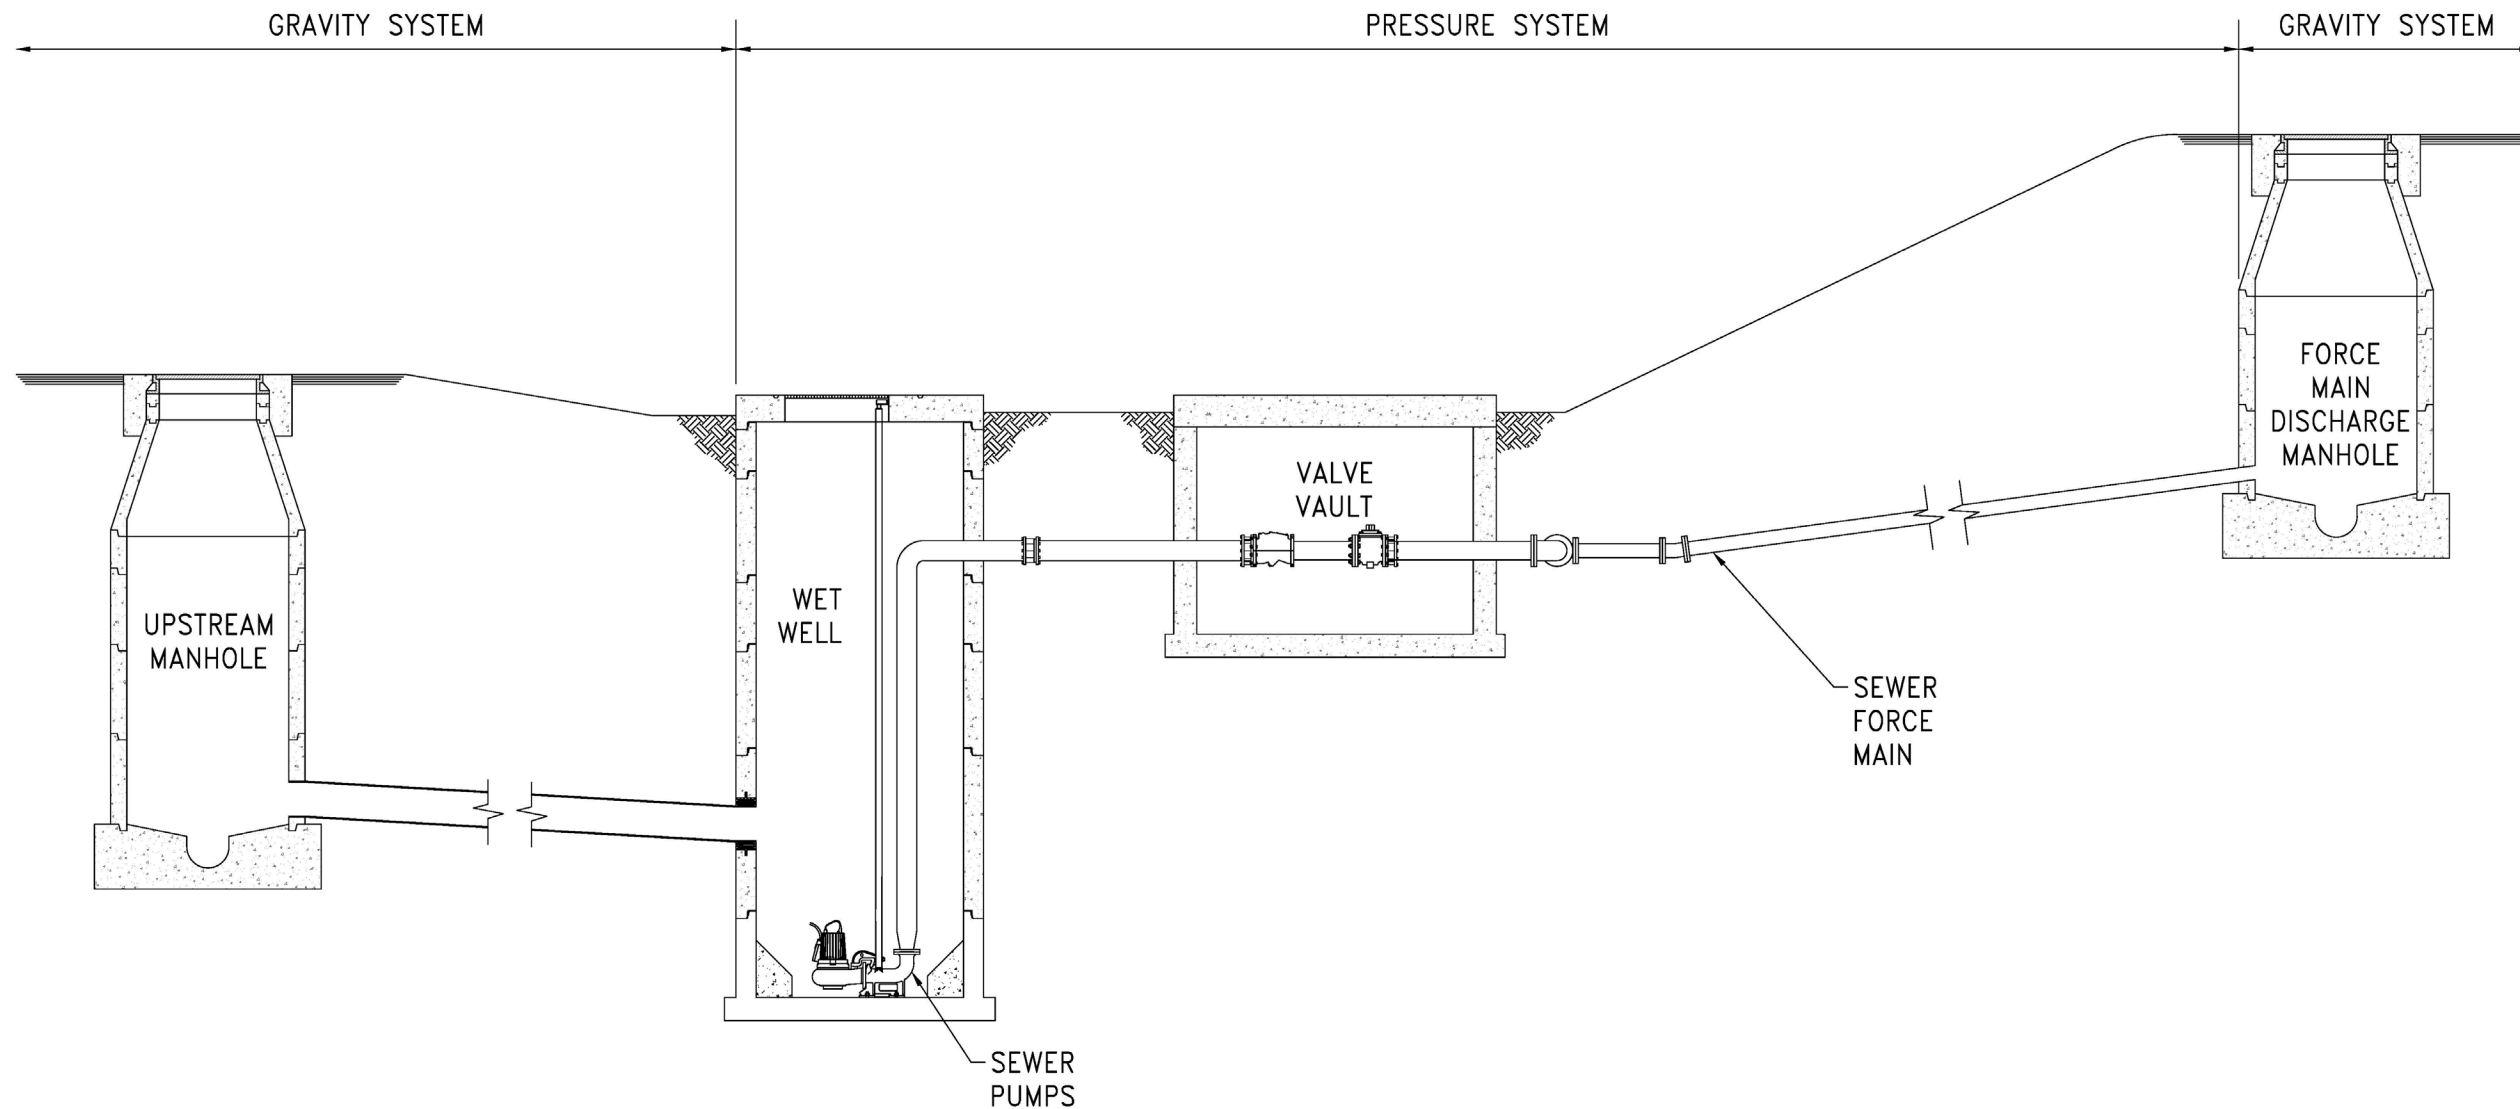

Project Overview

University Lift Station

What is a sewer lift station

Why It's Recommended

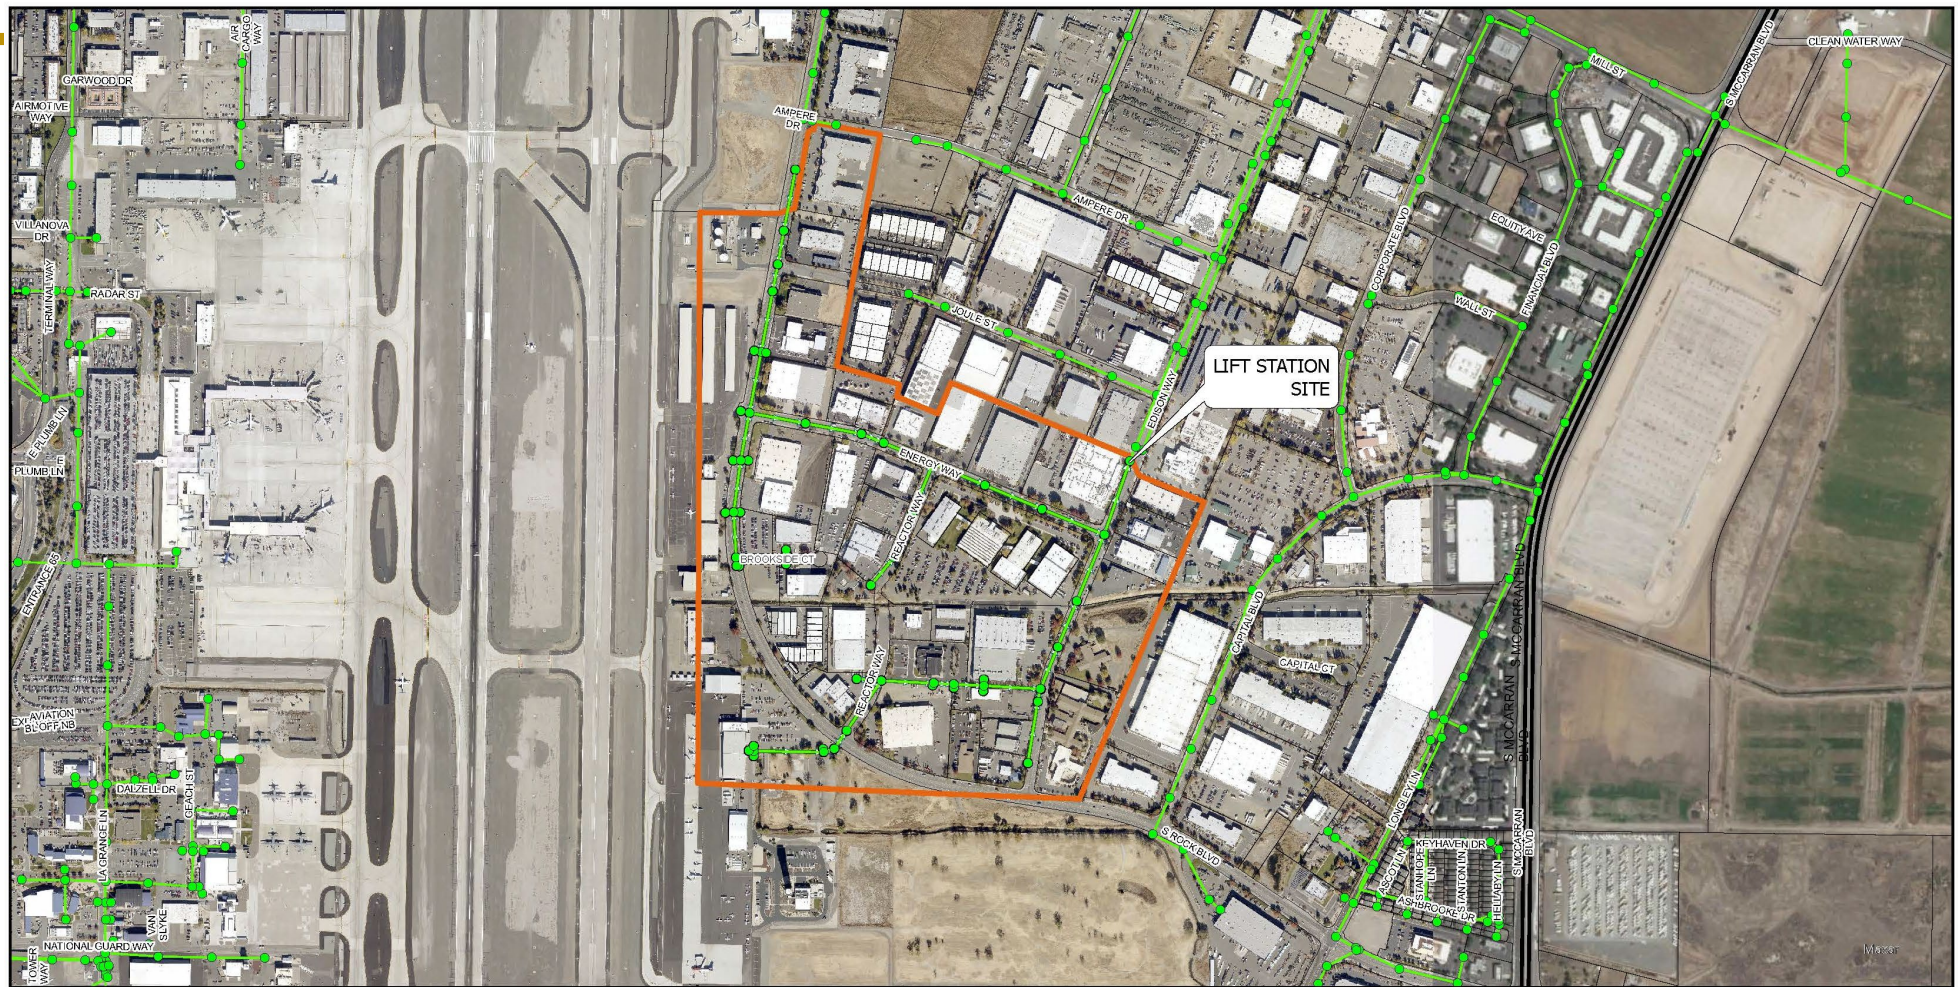

- Replace old, failing lift stations and force mains
- Provide improved safety for operators
- Replace outdated power supply
- Bring up to current industry standards

Staff Recommendation

Item B.12 – I move to award the contract to Farr Construction dba Resource Development Company for the Edison Way and University Lift Stations Replacement Project in the amount of \$3,915,546.

Item B.13 – I move to approve the consultant agreement with Shaw Engineering for construction services for the Edison Way and University Lift Stations Replacement Project in an amount of \$552,380.
