Your Comment	Joel Santos is an excellent candidate for City Council.

He is brilliant, has no political agenda, owes no favors, has a clear conscience, and is willing to take time from his successful business and growing family to serve the community. His reputation is impeccable. We would be fortunate to have a candidate like Joel Santos on our City Council. Please consider him as one of the finest.

Your Comment	I graduated from the University of Nevada, Reno in December of 2014. During my time on campus it was easy to get involved with local politics. Having also attended Nevada with Elliot Malin, I feel obliged to voice my support for his selection to the Ward 5 councilor seat. Ideally, there would be time to set up a regular special election. Unfortunately, given the time and reality

constraints, the special selection will be a critical chance for this group to appoint someone who profoundly believes in the viability of the city, is experienced navigating the Nevada political landscape, and holds ethics in the highest regard. Selecting Elliot would be the right choice, and it would provide the diverse voices and ideas the council seeks. Uniquely, it would also provide someone focused on collaboration and compromise above their own self interests. Thank you for consideration of my comments and good luck with your decision.

To Whom It May Concern:

Elliot Malin is the clear choice to be appointed as a councilmember for Ward 5. He has more pride and care for the city of Reno than anyone I know. I am confident that he will be a strong, intelligent, and kind voice for all those around him and will do incredible work for this community.

Thank you,

Sharmeen Frank
