## Ward 5 - Support for Tara Webster

Tara Webster - Support - for Ward 5 Member

My name is Adam Webster. I'm voicing my support for Tara Webster, for Ward 5 Member of City Council. I moved to Reno in 2015 when I took an engineering position at NV Energy. I met my now wife, Tara, a few months after that. She was completing her Masters' Degree in Biology from UNR, which she earned in 2016.

Tara is a dedicated and passionate member of the Reno & Northern Nevada community. Her professional experience and education have revolved around lifting up and advocating for her community. This includes having been an instructor at UNR for the WISE program, whose mission includes, enrichment & retention of women beginning their engineering college education. Tara's post-graduate area of research focuses on incorporating political and non-technical considerations into engineering curriculums.

Tara also has extensive personal experience in creating our vibrant, socially-aware and empathetic community. She volunteers in many aspects of our community. She is a poll-worker for elections, cooked food weekly for our homeless & fundraising for these programs. Her work in the community is a labor of love that is central to her daily life. She cares deeply about the work and the people it supports.

The office of the Mayor and City Council have been doing a great job defining a vision & mission for the city. Then implementing that mission. The current Council has extensive & impressive Legal, Administrative, & Planning backgrounds. As a candidate for Ward 5, Tara Webster, will bring a prefect complimentary background & skillset to the council. She is a lifelong resident of the Reno community – her Professional & Personal experiences have a focus of crossing disciplines, which helps to mesh a community together. Her cross-discipline & cross-department skills are exactly what the Council and our City need to implement the majority of the Tier 1 & 2 Priorities laid out by Mayor Schieve and City Council.

Thank you and I appreciate your time in hearing my support for Tara Webster as my Ward 5 Council Member.

To Whom it May Concern,

I'm Angel Rodriguez and I'd like to make a recommendation to City Council Ward 5.

I am pleased to recommend Kathleen Taylor for Reno City Council Ward 5. I volunteered with her on the campaign and she showed the highest levels of commitment, dedication and drive. She was always there to help out with whatever was needed, even when it meant sacrificing her own personal time. She is a tireless worker and I think that is what Reno needs right now!

She's compassionate, empathetic, and always puts community before self. I wholeheartedly recommend her to be your candidate for Reno City Council Ward 5.

Please feel free to contact me if you have any questions.

Good afternoon City council members; I am writing to express my support for Alex Goff to be included as a finalist for the open ward five seat. I have been a resident of ward five for over 30 years. We have been well served by our recent council member Neoma Jardon, and I feel Alex would provide the same level of attentiveness to our needs and concerns.

I have known Alex for at least five years. He is a genuine compassionate person who is quite active in community activities because he cares and not because he has to be there. I have invited him to several organization meetings and he has always shown up even though it might be for a short while due to his schedule. I respectfully ask that Alex receives your full consideration as he would truly be an asset to the Reno City Council. Thank you!

<b>Your Comment</b>	Dear City Council Members, I believe I am a strong candidate for the Reno City Council position for the following reasons: I was born in Reno, graduated from Reed HS, and UNR, and have strong ties to the community as a 4th generation Nevadan. I also have leadership experience in government as Deputy Administrator for the State of

Nevada Housing Division during the housing collapse and Great Recession. Prior to working for the Housing Division, I worked as a realtor, so I also understand the industry from the private sector perspective as well. I completed the Certified Public Manager Program (CPM) leadership certification through the State of Nevada. I am two classes away from completing my master's in business administration (MBA). I have over 18 years of public sector experience working for the State of Nevada. I am currently working in the mental health field for the State of Nevada and seeing firsthand the struggles of those needing these services in our community. I am passionate about my community, knowledgeable about government and politics at the local and national level. I hope you will consider me for the position.

Best Regards,  
Conrad Frederickson

**Your Comment** Joel Santos would be a tremendous addition to the city council. He is a hard working family man who deeply cares about the people of Reno. He is honest and genuinely wants what is best for his community. You can see evidence of this in the community events he has helped organize. He is great at helping diverse groups of people work together for a common goal. He has the rare combination of being practical and enthusiastic about future possibilities. As a member of the city council Joel would be a catalyst for great things!

Madame Mayor and Honorable City Council Members,

At your August 12 meeting, several of you made requests for public engagement in the selection of a new Ward 5 Council Member. This letter is the collective input of the following Ward 5 voters, who have read all 36 applications and met to discuss and debate which candidates are worthy of being finalists.

**Sunny Allen:** Downtown resident, Member of the Belvedere HOA Board.

**Carly Borchard:** Verdi resident, Ward 5 NAB Member, Chair of WTM/Verdi CAB, Member of the Verdi Community Council.

**Gary Cecil:** Downtown resident, Member Montage Community Affairs Committee, Ward 5 NAB Member.

**Jill Flanzraich:** Downtown resident, Member Montage Community Affairs Committee.

**Ken McNeil:** Somersett resident, Advisory Committee Member for TMWA.

**Pam McNeil:** Somersett resident, former Ward 5 NAB Member.

**Art Rangel:** Downtown resident, Member Montage Community Affairs Committee.

When asked what they felt were the most important criteria for selecting a Council Member, the following were mentioned: competence, integrity, knowledge of processes, understanding of development projects, professionalism, transparency, independence, objectivity, and open-mindedness. There was also a collective desire for Ward 5 resident voters to be truly heard by our representative on the Council.

Unfortunately, due to the extremely accelerated schedule, and the fact that all 36 candidates' applications were not submitted until last Friday afternoon, our group did not have time to whittle our recommendations down as far as we would have liked. Knowing

how much material you must read before Thursday's meeting, we decided to send you the names of the 10 candidates who received at least 2 votes.

	<b>Votes</b>
<b>Zelalem Bogale</b>	<b>5</b>
<b>Albert Rogers</b>	<b>5</b>
<b>Sonya Giroux</b>	<b>4</b>
<b>Jacob Williams</b>	<b>4</b>
<b>Scott Groach</b>	<b>3</b>
<b>Stan Marks</b>	<b>3</b>
<b>Earstin Whitten</b>	<b>3</b>
<b>Robert Martin</b>	<b>2</b>
<b>Darcie Smith</b>	<b>2</b>

I've known Joel Santos for almost 15 years. Joel is dedicated to helping people from all walks of life both professionally and personally. He cares deeply for his family and community, and he's kind and has a great sense of humor. As a native Northern Nevadan, I have seen how Reno has grown and transformed throughout the decades. Having lived in Reno all his life and longer than I have, Joel is the perfect person to help continue to develop and diversify Reno making it an amazing place to live. Hello,

Attached is my letter of support for Elliot Malin for the Ward 5 Councilmember vacancy. Below is also included in the letter. Thank you for your consideration.

Kind Regards,

Kathy

August 23, 2022

To Whom It May Concern:

I am writing this letter in support of Elliot Malin for Ward 5 Reno City Council position. I ask that you appoint Mr. Malin to fill this vacancy. I believe he is an exceptional candidate for this opportunity because he has a genuine interest in the welfare of others and exhibits great leadership skills.

I have gotten the pleasure of knowing Mr. Malin after moving to my current residence just down the street from him as well as attending law school with him. I have come to know and appreciate Mr. Malin's passion for the community. He is an involved and caring resident. His interests would serve as a great complement to those on the City Council.

Mr. Malin is someone who loves Nevada, and it shows. There is not a conversation that goes by where Mr. Malin doesn't speak about his pride for Nevada. I've learned so many facts about Nevada since I've met him that I would have never known otherwise. I speak with him almost daily and he always surprises me with some new fact. He is

passionate about his neighborhood and neighboring communities. He embraces diversity and I know his decisions would reflect the best interests of our community because he is so in tuned with the needs of our community.

Mr. Malin is deeply rooted with our community. He graduated from the University of Nevada. He actively attends community events. Through his work, he is actively engaged in the policies of Nevada. He is a proven community leader and would make a great councilmember.

There is no one better I know for this position than Mr. Malin. I hope you consider this letter when making your decision and know that the community wants Mr. Malin to be our representative.

Kind Regards,

Kathryn Martin

My name is Mackenzie Parker, and I am writing to support Tara Webster for Reno City Council as the Ward 5 representative.

I have been in the same research group with Tara at the University of Nevada, Reno for the last four years. Her advocacy for underserved members of the Reno community is a focal point in both her professional work and personal time. Her research, outreach, and volunteer work provide a multifaceted perspective of community concerns. Tara's commitment to improving access to resources and fostering inclusive environments would be an invaluable asset to the Reno City Council and the residents of Ward 5.

Dear Mayor Schieve and Councilmembers,

You know that I love to get involved with a cause. I think the appointment of the Ward 5 Council position is a great cause. We are hopeful that the council member who is chosen as the representative for Ward 5 will be a representative for all of Ward 5. I would like to see someone who is not a cookie-cutter member, someone who can think for themselves, someone who will be a true independent voice on the council.

Diversity on the council is important, and I know Reno is cognizant of this element. An example of this is the appointment of Cynthia Esparza as the new Chief Equity & Community Relationships Officer. "Cynthia will lead internal & external equity work and further weave diversity, inclusion, & access into the organization to make sure everyone feels welcome in the Biggest Little City!" Perhaps the tenets of her position could be applied in the Council Seat selection.

Thanks for your diligence.

Sincerely,

<b>Your Comment</b>	This is a letter of recommendation for Joel Santos of whom I have known for years now. Joel is a devoted family man, married and has one adopted son, one biological son and a beautiful little girl whom the family is fostering and hoping to adopt very soon. Joel is active in his church and assists with planning programming for the parishoners. Joel is easily approachable, always

<b>Your Comment</b>	I have known Joel Santos and his family for many years. Joel is an upstanding man, a family man, has important duties toward his church. He is always accommodating to answer questions when asked, pleasant, knowledgeable and easy to approach. Yes, he is a foster parent now and has an adopted son plus a biological son. Joel and his wife are fostering a beautiful little girl

with the hopes of adopting her soon. Joel would make a valuable addition to the city council of Reno.

We live in Ward 5 and wish to let you know that we fully support Alex Goff for the open Ward 5 position. We have known him for fourteen years. We know he will represent all of Reno well, not just our ward. Public service is his passion. He is a Marine Corps Veteran, currently on the board of the Northern Nevada International Center, chairman of the Reno Human Rights Commission, the vice chair of the Nevada State Rehabilitation Council, and on the Ward 5 Neighborhood Advisory Board, just to name some of his activities benefiting Reno. You will see him at many community events, and he often volunteers with us for the Nevada Humane Society. He recently earned his Masters of Science: Legal Studies from Cornell University giving him additional preparation for serving the public as a representative. If this were an election, he would have our votes. We ask the City Council to choose him to be our Ward 5 council member. Thank you.

I would like to nominate Joel Santos for the vacant position for Reno City Council, Ward 5. I have known Joel for a long time, and he is not only a joy to work with, but I couldn't think of a better fit for city council member. As a native Nevadan, he has always been involved in the community and just loves his hometown. He is always donating his time with his free legal days as an attorney and through various local charities. Joel has been a wonderful Washoe county foster parent for the last 8 years and continues to stay active in that community. The best way to describe Joel is unyieldingly kind and generous. Thank you kindly for considering him.

To: Publiccomment@reno.gov

I am writing in support of Kathleen Taylor for the Ward 5 seat on the Reno City Council.

Kathleen is a dedicated and accomplished business owner, mother, and member of our community. She has over 20 years of experience in public outreach and facilitation for large infrastructure projects throughout Northern Nevada, and the insights and industry knowledge she has gained throughout her career will be invaluable in effectively advocating for the residents and business owners within Ward 5 as these areas continue to experience rapid growth.

Kathleen also has a unique understanding of the complex social issues faced by many members of Ward 5, including homelessness, chronic mental health concerns, and economic instability. I am confident that Kathleen's skill in community organizing/stakeholder engagement coupled with her passion for improving the wellbeing of these vulnerable populations will result in effective utilization of the resources entrusted to the Reno City Council to implement lasting solutions to these concerns.

Sincerely,

Sierra Sanchez, LCSW

To whom it may concern:

I would like to express my support for Tara Webster for the position of Ward 5 Council Seat. I have known her for over a decade and have been continually impressed by her tenacity, professionalism, and systems based knowledge. She views decisions through the lens of what is equitable, and is unafraid to ask tough questions and follow through with difficult decisions to achieve goals that will positively impact marginalized community members.

On top of that she is highly educated, organized, and knowledgeable. She has her pulse on what matters to people in Reno. As a small non-profit business owner, I am confident she will continue her support of local businesses that make a positive impact in our city.

Thank you for your consideration in this matter,  
Tamra Hopkins

**Your Comment** Patrick Smith is a singular individual. He is one of the most thorough, dedicated, and caring individuals whom I have ever had the good fortune of knowing. Patrick is a wonderful active listener who engages in in-depth problem-solving and well-considered solution development. He is also fabulous at seeing "the big picture" and mitigating difficulties before they arise. This combination makes him ideal for a city council seat. If selected as a council member, I have no doubt that Patrick would exemplify the characteristics needed to be a superb public servant. I strongly encourage the council to review his candidacy, interview him, and to select Patrick to fill the open ward five City Council seat.

<b>Your Comment</b>	I graduated from the University of Nevada, Reno in December of 2014. During my time on campus it was easy to get involved with local politics. Having also attended Nevada with Elliot Malin, I feel obliged to voice my support for his selection to the Ward 5 councilor seat. Ideally, there would be time to set up a regular special election. Unfortunately, given the time and reality

constraints, the special selection will be a critical chance for this group to appoint someone who profoundly believes in the viability of the city, is experienced navigating the Nevada political landscape, and holds ethics in the highest regard. Selecting Elliot would be the right choice, and it would provide the diverse voices and ideas the council seeks. Uniquely, it would also provide someone focused on collaboration and compromise above their own self interests. Thank you for consideration of my comments and good luck with your decision.

To Whom It May Concern:

Elliot Malin is the clear choice to be appointed as a councilmember for Ward 5. He has more pride and care for the city of Reno than anyone I know. I am confident that he will be a strong, intelligent, and kind voice for all those around him and will do incredible work for this community.

Thank you,

Sharmeen Frank
