Mayor and City Council,

With regard to the forthcoming Ward 5 Election I support your planned approach to fill this position by appointment in lieu of public vote so we fill the position as quickly as possible.

I attended the Aug. 31st meet and greet at Fire Station # 11 and it was well attended and organized. The moderator, Mickie Huntsman did a great job. Five great questions from Mickie to the candidates, with varying insight in answers from the three finalists.

I would pick either Ms. Taylor or Mr. Goff as the most qualified based on the evening's meet and greet, which by it's very nature was a limited evaluation period.

Thanks and regards, Dennis.

To Whom It May Concern,

I would like to offer my strongest recommendation of Kathleen Taylor as you take into consideration applicants for the City of Reno Ward 5 Council Member position. I have had the privilege and pleasure to work with Kathleen in numerous construction outreach projects over the past thirteen years. She has built a reputation for being one of the most knowledgeable and hardworking members for the construction industries public outreach programs. Kathleen is my first call when I have challenging tasks, there is no one more able to get business done or build lasting professional relationships with those she meets. She is respected throughout the construction industry for her outstanding customer service skills and ability to work under stressful conditions. Bottom line, Kathleen is extremely hardworking, dependable, and knowledgeable and would make an outstanding City of Reno Councilwoman.

Again, please accept my genuine recommendation of Kathleen Taylor as you consider applicants for the City of Reno Ward 5 Council Member position. Her competency, proven dependability and leadership skills will no doubt be most beneficial to the City of Reno. Hello Reno City Councilmembers,

I am writing to express my strong support for Reno City Council Ward 5 applicant Kathleen Taylor. I have had the opportunity to work with Kathleen during my time as Public Information Officer for the Regional Transportation Commission of Washoe County. Kathleen's business, Taylor Made Solutions, assists with public outreach for some of the RTC's major construction projects, including the Virginia Street Project, the 4th Street/Prater Way Project, the Lemmon Drive Project, and many more.

Kathleen is a tireless advocate for the Reno community. In her role as owner of Taylor Made Solutions, she makes every effort to work with people and businesses impacted by construction to help allay their concerns and work toward solutions for construction inconveniences. She is excellent at addressing and resolving the concerns of people in our community. Not only does she care deeply about making Reno a better place, but she addresses the concerns of individuals to try to improve their situations, too. She is always thinking outside the box and developing new outreach techniques to ensure public participation as part of important community projects. These skills would suit her well as a Reno City Councilmember.

Kathleen has the acumen to take on the unique challenges and opportunities faced by the growing Reno community. Her time on the Planning Commission, combined with her small business knowledge, outreach skills, and many years as a Reno resident make her well equipped to lead Reno into the future.

Thank you,
Lauren Ball, Reno resident

Dear City Council Members,

I am writing this email in support of Kathleen Taylor for Reno City Council, Ward 5. I have had the pleasure of knowing Kathleen for 10 years, and I believe she has the vision, energy, and inspiration you are looking for in a community leader.

Kathleen hired me as an intern 10 years ago as I was finishing up my last two years of college. In that time, she was more than a boss; she was my mentor. She took the time to ensure I would be successful while still challenging me to be strong and outspoken as a young woman in a predominantly male industry. Even after leaving the corporate firm we worked for and starting her own small business, Kathleen continued to mentor me and did not ever hesitate to help me solve an issue. I am now a small business owner of my own and I can tell you with certainty that much of my professional success is because of Kathleen.

I've witnessed in both her professional and personal life, Kathleen's generosity towards helping others and her dedication towards putting our community first - Kathleen is queen of buying, hiring, and supporting local businesses! And as for her character, Kathleen is fun, passionate, and dependable. I have no doubt she is the perfect candidate to serve Ward 5.

Thank you for your time.

Hello, my name is Drew Cheney and I just wanted to express some public comment to the Reno City Council in favor of Elliot Mountain, as the candidate for the ward. 5 counseled agency in the reasons for my support of Elliot's. Generally included his the amount of time that that Elliot has lived in the ward on the seems like he's lived in Ward 5 for long enough to really have a good understanding of the issues on the problems that are facing the residence of Ward 5. And I think that because of his residency, he's uniquely well suited to to assist those citizens that are living in Ward 5 and really be there. Best Advocate and especially with him. Having a RC 2 degrees from the University of Nevada fairly recently within the past 19 years. He also is uniquely suited to Don't have keys for the students in the members of the university community, as well as seen Elliot, has been doing a fair amount of community outreach. She's really making a lot of effort, putting a lot of effort into into, trying to learn about the issues that are facing his neighbors in Ward 5. And I really appreciate that about him and his, his pursuit of of the seat on the council. I do want to also register some concerns. I have over one of the other candidates Kathleen just you and her application. It looks like her driver's license was issued looks like sometime in July and my understanding is it's the potential. You know, point he would have to have been a resident of the ward for the preceding 6 months. And so I would like to encourage counsel to look into the residency and Kathleen's residency and determine whether or not. She actually has lived in the ward for six months and If she's not to evaluate her residency for her, her eligibility for this appointment once again, I would like to register my support for Elliot Elliot Milan. As the candidate to fill the ward? I see. And if you have any questions, please feel free to call me back again. My name is Sushi. My number is 775-742-9074. Thank you.
