AGENDA ITEMS D.4, E.1, E.2, AND E.3 WERE OPENED AND HEARD TOGETHER.

COUNCIL MEMBER MARTINEZ ABSENT AT 3:09 PM

Public Comment:
Dan Morgan

Council Member Reese asked Mr. Morgan to share some of the information he provided in his presentation to EDAWN about housing needs in this region.

Mr. Morgan stated there are roughly 30,000 housing units throughout this region in some various state of approval. One of the greatest challenges and hurdles we have to unlocking that land is infrastructure costs. The Builders Association

is working in partnership with EDAWN and some other groups to find ways we can help unlock some of that land. Mr. Morgan also stated that he would be happy to give that full presentation to City Council.

Mayor Schieve made the following disclosure for Items D.4, E.1, E.2, and E.3:

Fellow city council members and Madam Clerk, this item involves Josh Hicks, an attorney from McDonald Carano, who represents Toll Brothers in this matter. In my private life, I have retained Adam Hosmer-Henner, a partner at McDonald Carano, to sue certain individuals on a civil matter unrelated to this item or Toll Brothers and Mr. Hicks.

I have sought guidance from the City Attorney's Office. As a client of McDonald Carano, I have been advised that I may have a commitment in a private capacity to the interests of McDonald Carano pursuant to NRS 281A.065(5). In re Public Officer, Comm'n Op. No. 23-094A (2023).

For the record, any action that I may take on this item would not be reasonably affected by my client relationship with McDonald Carano. McDonald Carano is a very large law firm. This item has nothing to do with my civil case, nor will it impact what I pay McDonald Carano, or the services I receive from Mr. Hosmer-Henner in return for payment now or in the future. I have no facts, information, or reason to believe that any action I take today on this item will have any impact on me or McDonald Carano.

Given that this is not a clear case where the independence of judgment of a reasonable person in my situation would be materially affected by my commitment in a private capacity to the interests of McDonald Carano, abstention is not required. The fact that I am represented by McDonald Carano in an unrelated civil matter will not impact my ability to impartially review and render a decision upon this item. Madam Clerk, please accept this disclosure and lodge it on the record for this meeting pertaining to these agenda items. Thank you.
