Your Comment	Is Waste Management the only provider of trash pick up and recycling services to the City of Reno residents? If so, we need additional companies to choose from immediately. The at-will service that many of my neighbors and I continue to receive is absolutely unacceptable. Given the entire world just experienced a major public health crisis having adequate trash and recycling pick-up choices is a necessity.

The homeless shelter is causing problems for surrounding business owners and public who support these businesses like me.

Example I'm a customer at Acuna's Auto Repair located 1500 East 4th st Reno NV (corner of Sage & 4TH)
Homeless people camping on the sidewalks.
On 360 Sage at vacant lot owned by Foundation / City of Reno.

This morning camper were asked to move - good job city!

The area looks much better afterwards, but still a health and safety concern.

Humans are using gutters as toilets
And sidewalks for toilets.

I have personally picked up used needles / syringes.

Both are safety & health issues that require on going clean up.

I would recommend a cleaning team to address to address these area of contents on regular basis.

The amount of homeless people in the immediate area of the shelter.
Created a burden for local business's cleaning up the obvious mess's.
The least the city can do is have a task force assigned to helping this area stay clean.
Have a few photos that may help visualize the opportunity.

Public Comment on ARPA funding for Seniors:

As affordable senior housing is a top priority for seniors, I would like to see a portion of the ARPA funding be spent on rental assistance for those retired seniors living on a fixed income who are having difficulty affording the huge rental increases.

I support the idea of a portion of ARPA funds being spent on free transportation, especially as seniors are moving further out since they cannot afford the high rents.

Thank you,
Marsy Kupfersmith

HOW WOULD YOU SPEND \$1,000,000 ON SENIOR PROGRAMS HERE?

My ideas:

As affordable senior housing is a top priority for seniors, I would like to see a portion of the ARPA funding be spent on rental assistance for those retired seniors living on a fixed income who are having difficulty affording the huge rental increases.

This church seems determined to ruin this neighborhood. They already cause traffic problems which will be worse once they get the school going that they got approved. Now they want to change the zoning to public? WHY? Just who do

2/14/23, 9:24 AM

City of Reno Mail - Fwd: ONENV feedback from Susan C Hastings

they think they are? And if this change happens what will happen next? Some developer will come in and start demolishing houses to do what? Build some resort or condos, or a casino? THEY DO NOT OWN THIS NEIGHBORHOOD WHICH HAS EXISTED FOR PROBABLY 75 YEARS SO THEY CAN RUIN IT FOR THEIR OWN SELF SERVING AND RUINOUS ENDS. PLEASE DO NOT LET THEM DO THIS!!!! I have called and left a message for Leah Brock asking her to call me and she has not.
