To whom this may concern, I've been a resident in North Valleys for over 17 years. Raised 3 kids in the area and I can't believe how awful we are being treated out here by the city. The traffic is horrendous and all you're doing is building more homes and warehouses. Nothing for kids to do up here but get into trouble 😡. Why not build an indoor sports arena for them. Why is everything in south Reno & Sparks. Healthy grocery stores, clothing stores, & better known eateries. We all have to travel into town for something decent. Which adds to the traffic. We don't need more paint on the cheap and shabby roadwork done every year. Add more lanes if you're gonna add more homes. We pay the same taxes as the rest of the wards do. We just don't complain enough I guess out here! Hopefully it will change

Agenda Item	A.3.
Do you wish to speak in person at the meeting?	No, written comment only (please submit your comments in the field below)
Your Comment (if you are speaking, it is not necessary to complete this field)	<p>I believe city employees are often influenced by businesses at the expense of common sense. I also believe some areas may be understaffed. I think employees generally don't care what projects cost. It's not out of their pockets! I think we have spent a FORTUNE on Virginia Street in recent years. It would be "stupid" to redo Virginia again. Maybe in ten years. And I believe Virginia still has a VERY HIGH ratio of empty storefronts. Some planning? Let's spend 18 of the 20 million dollar proposed budget on honestly affordable housing near downtown, and use bike lanes on Center/University Way!</p>

Yes, good afternoon. I'm calling in hopes that some enforcement plan to help the police can be made through the city council with laws that will help stop things like the free RV park that go from one place to another. And also on Dickerson road, we have many RVs from unlicensed to license cannot estate in multiple repeaters. On our street here on Dickerson. These people have figured out that there's a 48 hour long and they can just keep going from one place to another. This is cos dealing fires and garbage on our street. And I know there's not a lot, you can do because you don't have an enforceable lot this time. So if you guys could work on something to get some sort of an enforceable program to keep these RVs, and just go in one place to another and making a mess. And doing the things that they do, it would be greatly appreciated. My name is John barenberg, and I used to be the program assistant for clean and safe. Non-emergency people have been great. Let me know. Direct has been slow. Thank you very much for your efforts. Thank you.

Yeah. Hi. I have a brief comment and it is, it's really a question. Why not enforce the parking in the Midtown area in the to our spaces? You don't do it. Cars parked there all day and night sometimes and it seems like it ignorant step over of Revenue that the city could get get them tickets. 2 hours means. 2 hours, do your job.

Hello Reno Direct in the City of Reno. I would like to report and also ask questions about why this is happening but along the River Walk where there's the railing that goes over to the river. And then a brick wall or a cinder block wall that that has the flower bed on the other side of it. There are signs all through that small condensed Hathaway, that's a no bicycles and wire bird scooters, parked throughout that like there's no reason for the bird. Fleet managers to take scooters over to that area, it would be a bad idea for someone to Ride Scooters through there. Obviously, if you say no bikes, you obviously want no scooters as well because of motorized scooter can kill someone there. A bicycle doesn't have the torque or the force to do that because it settled by human well, unless it's a motorized bicycle. So I would suggest you move those Especially moving all around the McKinley Arts Center. It says no bicycles, no skateboarding, no rollerblading everywhere on signs, but there are scooters parked everywhere. Just makes no sense. I don't know why you're hating on skateboarding because for people like myself, that is a micro Mobility. Like the scooters that you have created through your business deal with bird. That only people with to Hanscom drive. So I can't drive one but but I use a skateboard for my micro mobility and because you hate people with disabilities. It's torok Ali, you missed. It doesn't, it doesn't It doesn't surprise me that. I'm seeing what I'm seeing because of the ignorance that I found within our leadership. I mean, our managers, sorry I misspoke. There are management are ignorant obviously, because if they weren't ignorant, there's no way they would do this because they wouldn't break the law. But you know, anyways, bird scooters illegally parked along the River. Walk Way where it says, no bicycles, no skateboarding, no rollerblading. I think

no scooters should be added to that or everything should be allowed. You can't do this. You can't pick and choose, and be like this. So, thank you. Once again, City of Reno for sucking at your job.

Hi. My name is Cindy and I have recorded an abandoned vehicle that has been parked on the street since the end of June. I started reporting it. August 18th, August 29th, September 7th, September 19th, September 25th, and again today, October 5th. I have spoken to more than one representative that answers the line and nothing is being done about this. So this vehicle is an older model Ford Windstar van license plate 5 V as in Victor C as in Charles d as in David 60 72 expired, license plates from California 2021 Of May. I don't understand why the vehicle is still here, the gentleman was living in it and now he's somewhere else and they just came to get items out of the van on the 25th, which prompted me to call again and that it's parked on the street of Salem. Papa Plumas in Salem and it's directly across from 12:20 apartment, complex on Salem Plaza. Road, 3rd Street, or whatever it is. So it's on Salem Plaza off of Plumas towards the end of that street, before it curves to the right directly across from 12:20. It's not moved since it arrived at the end of June of this year. So that's July August September. That's almost 3 1/2 months that it's been parked here. My phone number is 925-339-2283. Again my name is Cindy Mendoza 925-339-2283 thank you.

Transit Score®

Out of 100

You might be able to get out and walk when living in this area. Some errands can be accomplished on foot, but for others you'll need a car.

You'll likely want a car when living in this area since it has few transit options.

RENO CITY COUNCIL PUBLIC COMMENT CARD

Thank you for participating. We know your time is valuable and we look forward to hearing your comments, ideas and questions. The Mayor and City Council request that all comments are expressed in a courteous manner. Public comment is limited to three minutes each. Comments should be addressed to the council as a whole, not an individual member.
