Please attend the following meetings to express your ideas and concerns with your public comment. You don't have to speak, but just fill out a form with your opinion, or just come in support. Numbers matter!

NOTES Age Friendly Zoom - August 23, 2022 - Please pass info to others.

We had 20 folks on our zoom call today, and some new community members came on to discuss their concerns about Paradise Park Activity Center. Reno Parks and Recreation is proposing to close the senior programs at Paradise Park and lease the building to a local nonprofit. On August 16, about 90 seniors attended the Recreation and Parks Commission to protest and got the decision postponed. Please attend the following meetings to express your ideas and concerns:

Wed. Sept. 7, 2pm, Paradise Park Community Meeting, 2745 Elementary Dr., Reno

Tues. Sept. 13, 2pm, Senior Citizen Advisory Committee, City Council Chambers, 1 E. First St., Reno

Tues., Sept. 20, 6pm, Recreation & Parks Commission, 925 Riverside Dr., Reno

Wed. Sept. 28, 10am, Reno City Council, 1 E. First St., Reno

Please attend as many of these meetings as you can in person or via zoom to make public comment. If you cannot attend, please send your public comments to cityclerk@reno.gov or call 775 334 2030 by 4pm the day before the meeting or email seniors@reno.gov or call in your concerns to Reno Direct at 775 334 4636. Your voice will make a difference for all our seniors! Large turnouts of seniors will make a major difference in the outcome.

Increasing recreation and socialization for seniors is in our Action Plan. We had consensus that the Age Friendly Action Team will rally more seniors to attend upcoming meetings and will recommend to the City of Reno that Paradise Park Activity Center remain a recreation site for neighborhood seniors and that programs be expanded. See flyers attached. Feel free to forward to seniors you know and print and post where you can.

Remember Senior Fest is September 6 from 9am-2pm at Reno Town Mall. Age Friendly Reno/Sparks/Washoe will have a table there. Setup is 8am as seniors start arriving then. I'll get table covers and other materials to Larry. Please contact me if you can help for a few hours at the table.

Age Friendly Sparks is still waiting for their survey from AARP. Washoe County is still working on their Age Friendly application.

Molly Rose Lewis (Sen. Rosen's office) is still working on putting together a meeting to discuss problems and solutions on how rising rent affects health of older adults. Sen. Rosen held a community meeting on zoom today in Las Vegas with senior advocates to discuss good news about recent passage of the Inflation Relief Act that allows Medicare to negotiate drug prices, puts caps on medical expenses, and more.

Sen. Cortez-Masto will be in Reno on Friday, August 26 at 12:30pm for a meet and greet to discuss senior issues with local seniors. Contact Larry or Marsy if you would like to attend.

Marsy Kupfersmith talked with **Congressman Amodei** about the need for **affordable housing** for fixed income seniors. At his presentation Monday to Sparks City Council, he mentioned Marsy's comment and told them that there is a one-time shot for cities to get federal land and sell it and suggested that those proceeds could be used to build affordable housing. Marsy will follow up with Amodei's local staff. Nevada Housing Coalition is hosting several workshops on affordable housing—their Wednesday monthly workshops, Supportive Housing Incubator Academy and a statewide conference (zoom available) for their members. Individuals can join for as little as \$35/year. See their events at <https://nvhousingcoalition.org/events/>

Our **RTC and N4** reps had to leave the meeting before we got to their updates. We'll put them up first next time. Please attend (or make public comment online, by phone, etc.) the next RTC Commission meeting 9/16 at 9am at County Commission Chambers. You can sign up to receive a monthly newsletter from RTC on their website. Here is a link to RTC's August 2022.. <https://mailchi.mp/0e399e673987/rtc-board-enews-update-august-2022?e=559b4a91ff>

The **Food Bank** is experiencing huge increases in requests for food assistance. Support their food drives and encourage others to help in any way they can.

The **Hello-BUILD Project** is winding up their grant and has decided to fund our **Age Friendly/Senior Coalition project to hold monthly resource fairs** at the libraries and do more connection activities with community seniors. Hello-BUILD is sending the funds to the Food Bank to be the fiscal agent for a **grant of \$13,000 to support our project**. We will meet with Senior Coalition soon to draft a project plan and budget to send to Hello/Food Bank.

ARPA funds are available for senior programs in Sparks and Reno, but decisions on how funds will be spent have still NOT been made yet. Marsy said that Sparks Council was considering a \$100,000 donation to Seniors in Service, but the Sparks Senior Citizen Advisory Committee had not been consulted, so they are in discussions with the Council to give their recommendations on how those funds will be allocated. Their next committee meeting is tomorrow at 9 am at Sparks City Hall Legislative Building. Paco LaChoy said that he has concerns with the latest ideas at the City of Reno about their current proposed allocation of the \$1 million for senior covid recovery. He will be meeting with the City Manager's Office to get clarification soon and it will be on the Reno Senior Citizen Advisory Committee's Sept. 13 agenda for discussion.

Senior Coalition is sponsoring five campaign forums for local candidates at the libraries in September. Candidates will be asked questions about their views on senior issues and whether they will work on those issues if they are elected. Please see flyer attached and plan to attend. Please print and post where you can and pass on to all who are interested. Here are dates, times, library locations:

Panel: Sparks Mayor, Sparks City Council and Sparks Municipal Court, Dept. 1
