Hello Reno City Council (or whom it may concern),

I heard that Tara Webster, a past colleague of mine, is running for Reno City Council, Ward 5 and I wanted to take a moment to impress upon you how outstanding of a candidate she is.

Tara has grown up in Reno and has been a steadfast advocate for those in our community, including those who may come from systemically underserved backgrounds. She is always the first person to volunteer for the greater good and is selfless with her time and energy. I know she is dedicated to doing what is right for the city she calls home and would be a face of progress and compassion.

During our time as Ph.D. students together, she has demonstrated her ability to find answers and make smart decisions. Our entire group valued her input and I would be lucky to have her representing me and my city.

Please consider her as you made decisions regarding this city council position,
Kelsey Scalaro

Esteemed Mayor Schieve and members of Reno City Council,

It is with great joy that I write to you all in support of my dear friend Alex Goff who is seeking to represent me as a constituent of Ward 5. I have known Alex Goff for years and I consider it an honor to have worked alongside him in a variety of initiatives to improve quality of life for people here in Reno and all across our beautiful State.

There are many reasons why I feel he is best suited to be my City Councilman, from his unwavering sense of duty to others to his pragmatic approach in finding areas of commonality where positive change can be made. He is someone who makes clear from the moment you meet him that he is passionate about doing what's right, fixing what isn't working, and promoting the necessary transparency to ensure that people feel empowered throughout the process.

We are all a sum of our lived experiences and the lessons that Alex has learned and the positive difference that he has made in the lives of so many, myself included, stand as testament proving how incredible a Councilmember and colleague he will be to each of you.

Please let me know if you have any questions for me. I am thrilled to support my dear friend.

Best wishes,

--

To the members of the City Council,

I am writing to you today as a resident of Ward 5 to share my overwhelming support of Alex Goff for the appointment to the ward 5 seat on the city council.

I have known Alex for 14 years, and have had the privilege of being his wife for almost 13 years. From the moment we first spoke, I knew he was exceptional and he has never ceased to live up to that first impression. He is whip smart, kind, compassionate, understanding, and loyal. He has a drive to learn and understand more, recently completing his masters degree, receiving an MSLS from Cornell Law.

From his honorable service in the Marine Corps including a tour of duty in the Iraq war, to being the first volunteer mentor for the City of Reno's Veterans Court, to his time on the City of Reno's Human Rights Commission which he now chairs, Alex always finds ways to be of service. He also serves on the Ward 5 NAB, is the Vice Chair of the Nevada State Rehabilitation Council, serves on the board of the Northern Nevada International Center, serves on the Martin Luther King Day Committee in partnership with the City of Reno Arts Department, and still finds time to volunteer for the Nevada Humane Society. I see first hand, more than anyone, the commitment and dedication Alex has to service and to making his community a better place.

I hope that you can all see why Alex is the best fit to represent ward 5 on the city council. He is the kind of person that the City of Reno needs to help move the city forward with you.

Thank you for your time and consideration.

Kathleen Taylor Ward 5 Candidate

To: Publiccomment@reno.gov

As a Ward 5 homeowner in Somerset, I am thrilled that my friend, Kathleen Taylor, is a candidate for the open seat on Reno City Council. I met Kathleen in 2003, when she interviewed with the board of Angel Kiss Foundation for the position of Executive Director. At the time, Angel Kiss was in its infancy, and needed a dynamic, forward thinking, and personable leader to introduce the new nonprofit organization to Northern Nevada, and to promote our services to families caring for children with cancer. After many interviews, it was clear that Kathleen was the right fit. Over her four years of leadership, Kathleen worked enthusiastically to develop relationships with families in need, medical providers, vendors, and other organizations in the region to market Angel Kiss as a valuable community resource with name recognition. Her community outreach skills coupled with her abilities to write grants, organize volunteers, oversee a growing budget, and coordinate meetings with the board to develop guidelines and policy were invaluable in the first few years of establishing a strong foundation that eventually lead to the merger with a similar organization, which is now known as Northern Nevada Children's Cancer foundation.

Kathleen's work experience at Atkins, and as owner of Taylor Made Solutions has exposed her to a wide array of public works projects that require extensive knowledge of federal, state, and local law, all of which knowledge has been bolstered by her experience on the City of Reno Planning Commission. Her experience as a sole owner of a small business has given her an abundance of opportunity to work with a diverse set of stakeholders, and has exposed her to challenges that have resulted in her professional growth.

On a personal level, Kathleen has been a role model as a single mother to her two daughters, and has provided a loving and secure environment, while modeling time management for a balanced personal and professional life. She maintains strong relationships, recognizes the importance of friends and family, and has been loyal to the Reno community, where she has chosen to live all her adult life. Kathleen is a perfect candidate to fill the vacancy in Ward 5, and will work tirelessly and cooperatively with the other council members to bridge any divides that might occur, in order to improve the quality of life for all the citizens of Reno.

Please allow Kathleen Taylor the opportunity to meet the community and to present her own voice.

Hi, I wanted to take a moment to make sure that y'all heard about our Webster. I heard she is running for the Reno city council, board, 5 position and I don't know taara, incredibly well on a personal level, but we work together for a couple years, as a PhD student, and for what I know of her and our interaction, she is an incredibly passionate person for Reno and doing what is right for our community. I know she has always been the first one to volunteer or to speak up when she just need some sort of run, it can be rated in our community and she is so selfless with her. Use the time and her energy and resources and and her current position which is not in the city council, she was already gone above and beyond to do is write for a city. I can only imagine how that would be magnified 10 folds if she was given a position in the city council to help you with us for a group. So I think she would be just an incredible candidate for this position. I really hope you consider her have a good day. Bye.

Good luck. So I know it's late at Webster and Ward 5. I definitely would love to come that. She is a triple person, strong willed and has a very desire to help others. And Really engage in community activity, and would definitely, definitely, definitely be of value to your organization. Thank you.
