<b>Your Comment</b>	I wish to express support for Elliot Malin as candidate for the vacant Ward 5 seat. Elliot is a smart, well-educated upstanding citizen with a strong love for Reno. As a long-time friend, I believe he will act with the best interests of his ward in mind. He will also research any issues that come in front of him to act from a place of

knowledge and understanding rather than emotion or reaction. He is the best person for the role.

Members of the Reno City Council:

The Culinary Union represents 60,000 workers in Las Vegas and Reno. The Culinary Union is Nevada's largest Latinx/Black/AAPI/immigrant organization with members who come from 178 countries and speak over 40 different languages. Culinary Union members work as guest room attendants, cocktail and food servers, porters, bellmen, cooks, bartenders, laundry and kitchen workers. The Culinary Union has been fighting and winning for working families in Nevada for 87 years.

The Culinary Union writes today in support of Alex Goff, one of the finalists who has applied to be appointed for the vacant seat in Ward 5.

Alex is a Marine Corps Veteran who served in Iraq. He was appointed by Governor Steve Sisolak to the Nevada State Rehabilitation Council, where he serves as Vice-Chair. Additionally, Alex was appointed by the Reno City Council as Chair of the Reno Human Rights Commission. He is also a member of The Northern Nevada International Center, a non-profit that provides programs for international guests and refugee resettlement.

As a longstanding union member with the Communications Workers of America, Alex was a steward and member of the contract negotiating team. Alex has stood in solidarity with Culinary Union members outside of the Palms Casino in Las Vegas and in front of the Circus Circus Reno when workers protested for a fair contract.

Nevada has an urgent housing crisis that is pushing working families out of their homes. Along with rent increases, Reno residents have also seen home prices escalate. In March 2022, 39% of Nevadans had difficulty paying for housing-related expenses according to the federal government's survey data.

Alex was recently quoted in August 25, 2022 article: "The council working together and working collaboratively would benefit from someone that's a veteran, someone who couldn't initially afford to live in this community. I think that's very important as we talk about housing affordability." (News 4)

We agree. That's why the Culinary Union urges the Reno City Council to appoint Alex Goff to represent the residents of Ward 5.

Sincerely,

Ted Pappageorge, Secretary-Treasurer for the Culinary Union  
Diana Valles, President of the Culinary Union

Save the Sinai house. Please let us to sell the house. People at care more about it, historical buildings. And then they do about an art museum. Years ago, and my parents said, Reno has the worst city flowers. It's still holds true. Please. Save these houses and keep Reno Charming. Don't let it go. Thank you. Bye, bye.**

Good morning me. Your CV and members of the city council. My name is Charles on the w. I have been a resident, large 5 inch, 1995, I'm calling you regarding your difficult test, coming up and appointing. We're going to represent Ward 5. The three candidates are all highly qualified, but I think that Elliot mailing is going to be the one, who's going to represent water fives voice. In, in, in the council, I have been. Like I said, I have been resident of water 5 for more than 20 years, I have never seen a person who represents me Come in, come into my neighborhood and ask what our concerns are. For the past 20 more than 20 years. I felt that Our voice. It is not heard in end of level of the government and Elliot Mainland is going to be the one who's going to do that. I'm not going to talk about his professional strength, I'm pretty sure he has done a really good job in sell himself and all the documents that he has given to you also. So I will be speaking about one thing. One thing alone, on a more personal level. I know that Elliot mailing is going to be willing to come down to our neighborhood and, and talk to us and figure it out. What the issues are, Trevor concerns are and represent that and the city council and and do everything that you can to work with everybody to get that through in the end, he is going to be able to let all of, you know what, our concerns are what word files voice to get a represent that into Council in Indiana. He is going to be willing to work with all of you. To do what's best for the whole city. I am sure about that because it is in his nature. He is going to going to not be able to help himself do that. So so if you are going to consider someone who is going to represent Ward 5 voice, it should be Elliot mail, and he is going to do a great job. He is going to be able to, to represent our boys and and do it really. Well, thank you so much for your time. I really appreciate it. Good luck to the task that you have today, please choose life.

**Hello, this is Craig Stevenson. I'm just calling to show my support for Elliot. Now I'm just for the appointment to the ward. 5, vacancy is far and wide, the best choice for this position. I mean, he's lived in the, in the ward, much, much longer than the other candidates that I've been selected and I just be remiss. If I didn't point out, the fact that, you know, he has been there the longest and he is being open with the community. You know, in meeting with Mr. Mallin, I've just been very impressed by him and I just wanted to show my support for him and you know, Be sure that he got the opportunity here. I know that he's going to be great for the ward and, you know, call me in there, the longest, being with the community It's it's really important to the small Reno community that we have support from some people like Elliot Milan. And I just I think he's going to be the best fit. So if you do I'm I'm hopeful that you make the right decision to make the right choice and went into this week and see here to represent us here in the ward 5. Thank you very much for your time.**
