We at Silver State Government Relations have been involved in this cannabis zoning issue since it was brought to our attention. Our firm's principal, Will Adler, reached out to the various dispensaries around Reno earlier this year regarding reinstatement of the 2,500-foot zoning barrier between dispensaries and found consensus and support for placing this zoning barrier back into ordinance. During the June 8, 2022 Reno City Council meeting, jointly singed letters were submitted by Mr. Adler and the various dispensaries into the record supporting the cannabis zoning change before you today. We want to thank City Council and staff for their work on reinstating this 2,500-foot zoning barrier between cannabis dispensaries.

Good morning Mayor, members of the City Council,

I strongly support and recommend the appointment of Mike Trudell to the vacant City Council position.

I first came to know Mike in 1986 when I was working as an engineer in the City of Reno Public Works Department, and he came to work for the City as a planner. I found him to be cooperative, diligent, and thoughtful.

He subsequently went on to work as General Manager for the Caughlin Ranch Homeowners Association for 20 years. As the past president of my own (Southwest Vistas) homeowners association, I can tell you that is a remarkable achievement. Caughlin Ranch is a very large HOA; his role there was like that of a City Manager of a small city.

I believe Mike has the right background, experience, and knowledge to serve Reno well as a member of the City Council.

I lived in the Donner Springs neighborhood for 20 years, where Mike now resides.

Thank you.

Keith Lockard

Dear City Council,

I am contacting you regarding Agenda Item G.1 of today's meeting. My name is Molly Willoughby, and I want to voice my enthusiastic support for Lily Baran in the appointment to Reno City Council Ward 3. Lily contributes to the preservation of city history and culture. She provides direct services to members of our community. She is also leading a project to educate young people about growing food, indigenous plants, and African cultural crops. I have seen her work and impact personally in our community, and I would feel reassured knowing someone with her drive, expertise, and passion is on the council. She displays virtues and leadership in community care that are essential and needed today.

Thank you for your time.

Best,

Molly Willoughby

Hello Everyone

As a resident of the Reno/Sparks area I am grateful to say I know Miguel Martinez. I have worked with him since he was an undergraduate student at UNR and I was in the TRiO McNair Program. His character and love for education are amazing and we would be blessed to have him. He works with underrepresented young men trying to bridge the gap from high school to college. His mentorship has benefitted many to come to college and be successful in their pathways.

I would like to voice my support for Lily Baran to fill the empty city council seat for ward 3. She is is an avid advocate for her community in and outside of ward 3, for all people, and has worked endlessly to improve, educate and uplift how we treat others and our surroundings. She would make an excellent addition to the council and I know she would bring the ideas and determination we've all longed to see alongside our representatives.

Thank you for your time and consideration (:

Hi, good morning. My name is Megan Garcia, and I just wanted to put in my vote for councilman ward 3, I would like to vote for Chad Blackburn, he's already involved in the community a lot. And I really think you would be a great fit. He really cares for many things in the community. So I just wanted to get my boat out for him. Thank you so much.
