TO: Local Government as applicable

SUBJ: Membership in Non-Profits, 501C6 Advocacy Organizations, Request for Legal Opinion

The bottomline is that it seems clear that a local government should not belong to a 501C6 group, at least unless statutorily authorized by law.

The below laws and AG Opinions seem to indicate that no tax dollars should be used to support partisan activities-501C6s. In many opinions, tax dollars may not be used to belong to non-profits at all as detailed later.

As to the Constitution: Nevada Constitution Article 8: Section 9: Gifts or Loans of Public Money to Certain Corporations Prohibited

"The State shall not donate or loan money, or its credit, subscribe to or be, interested in the Stock of any company, association, or corporation, except corporations formed for educational or charitable purposes."

In reviewing any statute or Constitution I remind folks that:

"When construing a statute, this court looks to the words in the statute to determine the plain meaning of the statute" And that "...this court's well-established maxim that the expression of one thing is the exclusion of another. See *Galloway v. Truesdell*, (1967); see also *State, Dep't of Taxation v. DaimlerChrysler*, (2005) (*Hernandez v. Bennett-Haron* No. 59861. 2012-10-25.

As Nevada is a Dillion State, that restriction would seem to apply to local government.

Educational and Charitable are covered in IRS 501c3 and 501c4. A 501c6 such as EDAWN is neither, it is advocacy. NRS 82.021 also defines that only a 501C3 is deemed for Public Benefit.

NRS 281A.520 - Public officer or employee prohibited from ...r otherwise causing governmental entity to incur expense or make expenditure to support or oppose ballot question or candidate ...

Those that hire the hit man are as culpable as the hit man. Using tax dollars to hire a 501C6 to do your tax supported lobbying is equally unacceptable. The US Supreme Court in "Janus" has also weighed in on forced advocacy memberships that support the idea of avoiding tax dollar memberships in such.

Nationwide, Attorney Generals (AG) and the Courts have largely opined that taxpayer funds may NOT be used to join such non-profits. In some cases those opinions address the "Public Benefit" requirement, Constitutional prohibitions and the lack of statutory authority. Many examples upon request. Texas AG Opinion Sept 11, 1974 for Beeville, Ohio AG Opinion December 30, 1952, Louisiana AG Opinion: 92-204 & 95-439, Arizona AG Opinion I00-022, Missouri AG Opinion 74-89, Georgia AG Opinion: 98-15 and more.

SUMMARY: Please do not support any 501C6 Lobbying organizations with tax dollars. Please obtain a legal opinion on membership in any 501C6 and ANY non-profits. NRS 82.021 seems clear on Public Benefit 501C3 restrictions. For School Boards, NRS 386 applies. As applicable, the Nevada Constitution, Articles 8 and 11 should be reviewed. NRS 281A would apply to Public Officials that support such spending. Various out of state AG Opinions are listed and while advisory, are compelling.

Sidenote: Local Governments are asked to review the Reno-Sparks Chamber membership list as it appears inflated and claims some disputed members. I would hope that the Chamber is not inflating claimed membership to bolster membership. If the Chamber falsely lists your organization or divisions, as members, please ask them to cease and desist. <https://web.thechambernv.org/search>
Is the Chamber an advocacy organization? Yes. <https://www.thechambernv.org/public-policy-platform.html>

Serious concerns about the construction at 4th and White Fir/Mesa Park. Lane closures stated today and traffic was a serious mess. I have serious concerns about evacuating my neighborhood if need for fire etc. Evacuations have occurred in recent history.

The city of Reno is a joke. They allow criminal Property Management companies to steadily extort, steal, and discriminate against its citizens. I was forcibly evicted by a shady Motel. After I was locked out and trespassed they placed a lockout device on my door. While the lockout device was still on the door my \$5,000 ebike was stolen. Only management has access to the door. This practice has been going on for at least a year that I know of. When will the citizens of Reno have a chance to get what's legally their own property as well as funds stolen from them?

Traffic at the cross road of Mira Loma Drive and Rose Vista drive has gotten so bad it has become an extreme noise, pollution and safety issue regarding traffic there. I am advocating that sound barrier walls be installed to reduce sound, pollution and the potential of cars ramming through a fence and potentially hitting a residence house

It is very difficult to operate a business when people are camping out in front of it. Going to the bathroom on your property. And taking up all parking for customers and every one of them have expired tags and more stuff than you can fit in a house , stuffed in their car. They throw their trash all over the place and this needs to stop. It is the city counsel responsibility to maintain safe neighborhoods for the district. WE have been here 50 years in the same location and this is the worst I have ever seen it. I know this wouldn't last a day if they were in front of City Hall

It's really sad. I've been dealing with some code enforcement issues in my neighborhood for 6 months now. I've been trying I finally get a call back from detective, Todd Davis and all he does is talk over you and talk at you. You won't let you express what your problems are. He is like a mind reader as far as she's concerned. So him and Alex Woodley, they both should be removed from their position. You need a better Communicator than that. You can just call somebody up and as soon you know, what they're complaining about, or what the issue is and talking the whole time, what's the point of calling and why don't you just send him an email? That's ridiculous. Detective. Todd Davis. And Alex Woodley are pathetic employees for the City of Reno.

Hi. I am calling in regards to the trash that is building up in the Lemon Valley, all the way in Northbound on 395, even going past power Boulevard all the way down in the center dividers and alongside the freeway this goes on and on and on and I travel a lot to Reno. And it is the only place that it is really building up that nobody seems to care or clean about. We have no sign saying littering not one sign in Nevada but in California, they do. I wonder why we don't have a sign that says that people throwing their trash or debris, coming out of the back of their cars, it's going to be fine. It is terrible and it is nasty and it makes our areas of terrible. Please take a look at this. And why should I the citizen have to do? Go out there and pick up the trash. We should be allotted. It is not happening and South Reno at all. Thank you.
