I would like to support Miguel Martinez for City of Reno Ward 3 position. I first met Miguel in October 2017 when I began working for TMCC in the Recruitment Department. Miguel was one of the high school recruiters and I very quickly noticed his work ethic and passion to help students. Miguel was also the head coordinator for the Men of Color program at TMCC. This is a program that mentors high school students at 4 different schools starting during their sophomore year. I am also involved with the Men of Color program and I am the lead mentor at Reed High School. Over the past 5 years we have mentored and guided several students through their high school graduation and led them towards post-secondary education, military institutions, and workforce opportunities. I am confident in Miguel's abilities to be a leader in the community and I am looking forward to see him in his next role.

Please support Sean Savoy in his bid for the open seat. He would make a fine addition to the Council and would work diligently to represent his ward. What's more, he'll be an enthusiastic advocate and representative of the Biggest Little City!

I am offering public comment today in support of appointing Miguel Martinez to Reno city council representing ward 3. I am making my comments as a private citizen and former resident of ward 3 who still has strong ties to the community. I am the current vice chair of the Nevada Student Alliance; I am the current student body president of Truckee Meadows Community College, where a large percentage of our more than 9000 students reside in ward 3; I am the president of the Truckee Meadows Veterans Club a chapter of the Student Veterans of America, the second largest veteran organization in the country with over 750,000 members, where I am a leadership fellow.

Ward 3 is home to the Reno VA medical center and the Reno Vet Center. This diverse and beautiful community is home to dozens of veteran owned business that we have partnered with for our annual events. Truckee Meadows Community College is a hispanic serving institution and many of our students and their families, live and work in the ward 3. Miguel Martinez is the coordinator

for the men of color and students of color programs, the jumpstart program and has worked with most of these students from the time they were in high school through their entire college careers. He is a champion of diversity and the values that ward 3 and the city of Reno truly need. Please appoint Miguel Martinez to Reno City council representing ward 3.

Hello! My name is Jovany Carranza Gonzalez and I am making this comment to represent Miguel Martinez for Ward 3 councilman. In my years of knowing Miguel I have seen him helped hundreds of students in both high school and college/university level. I myself am a product of his mentorship. With the help of Miguel I was able to achieve my goal of graduating high school with a honors diploma (first in my family with a honors) and able to attend the local community college (TMCC) with my melinium scholarship and obtain my degree in Cyber security, all thanks to Miguel. Miguel always puts others in front of him, wanting others to be better than him. He cares for the people and is FOR the people. He cares for the community and the people that reside in it, he will not fail you. He gives opportunites that others can't, gives back to the community either if that's mentoring students or civilians or making our city feel confident with

the people we have that can aid others. Thank you for reading my comment!

Interesting up, Cathy was removed from her office or removed from the job soon after because she's late to me, let's get you a black male in bribery, you know, that on the 24th on a private meeting with the mayor and his slip attorney. Carl Hall just was going to be a an entrapment when I thought of the terms of that meeting that we were going to talk about a settlement. There was no real talk about that or assessing the damages at that meeting. The mayor said to me, if she were in attendance on May 18th, she would let none of that happened. Well, none of what? You're alright, inquired. The mail also said, to me, how much money do you want when she was, when she asked me, how much I won't call Interruption said, you'll get no money from me.
