Your Comment

To the Reno mayor and city council members:
Thank you for the opportunity to present this public comment today. I represent Sierra School of Performing Arts, a local nonprofit, producing live theater as well as classes in the performing arts. The weekend of December 9 to 11, we will be presenting Peter Pan, Jr. in the theater at Damonte Ranch High School. This production is funded in part by a Youth Project Grant from the City of Reno Arts and Culture Commission. Thank you very much for this funding. The cast of 29 students, ages 8 to 18, has been rehearsing since early September. They have been studying their lines, learning their dances, and practicing the many musical numbers in the show with incredible dedication. They are excited that the performances are now only one month away. The director, music director and the rest of the professional staff are impressed with all the students have learned during the rehearsal period. Once again, we thank you for your grant funding and hope

you will join us for one of the four performances, December 9 through 11. Tickets are available at peterpanreno.com. Thank you.
